Dear City of Newport Council Members,

As longtime residents of Newport Beach (65 yrs.) and Bayshores(31 years), we often took our children and now our grandchild to ENC. We are very concerned about ALL the construction and congestion surrounding one of the few remaining natural open spaces in our area and one with such a strong educational component. Please very carefully consider what you will allow around a safe place for our children and grandchildren to experience and learn about nature.
Thank you for your consideration,
Julie and Justin Wilson
