PREPARED BY: Rebecca Lightfoot, Library Services Manager

TITLE: Sculpture Exhibition in Civic Center Park – Phase XI Timeline

RECOMMENDATION:

The Sculpture Exhibition Ad Hoc Subcommittee recommends the City Arts Commission approve a timeline for Phase XI of the Sculpture Exhibition in Civic Center Park.

DISCUSSION:

The Sculpture Exhibition in Civic Center Park is an ongoing public art display that is a primary feature of the Newport Beach Civic Center. The City Arts Commission (Commission) determined that a rotating exhibition was the optimal approach for bringing a variety of sculpture to Newport Beach in a cost-efficient manner. Since 2014, the City has exhibited nine sculpture phases in the park with the installation for the 10th phase occurring this month.

Admission is free and the exhibition continues to be enjoyed by residents and visitors. The exhibition offers the temporary display of public art and allows the City to avoid the obligation and expense of owning public art. The Commission selects a well-balanced representation of public art that appeals to a diverse audience, while including artistic merit, durability, practicality, and site responsiveness as criteria in the selection. The rotational nature of the exhibit ensures that residents and guests are exposed to a variety of work.

ARTS ORANGE COUNTY:

Arts Orange County (ArtsOC) was established in 1995 as the nonprofit, countywide arts council of Orange County, California. The organization has been recognized by the California Arts Council as a model agency based on the quality of its work. It has served as the officially designated arts agency and state-local partner of the County of Orange since inception.

ArtsOC has provided public art coordination and site management services for all previous phases of the Sculpture Exhibition in Civic Center Park. A professional services agreement with ArtsOC will be prepared for the project management of Phase XI.

TIMELINE

ArtsOC developed the following timeline for Phase XI:

<u>DATE</u>	<u>TASK</u>
<u>July 2026</u>	
July 14	CITY COUNCIL REGULAR MEETING City Council to approve Arts Orange County contract
<u>August 2026</u>

<u>June 2027</u>	
June 1-19	De-Installation of Phase IX artworks INSTALLATION OF PHASE XI ARTWORKS
June 27	Sculpture Exhibition Phase XI Official Opening

ArtsOC will issue a “Call for Entries”, inviting artists, private collectors, galleries, and museums/nonprofit organizations to submit artworks for consideration of the temporary exhibition in Civic Center Park.

To select the pieces for the public survey, the project manager will form a panel of jurors. This panel, comprised of working art professionals, will work with the entire Commission in the selection and recommendation of pieces in a public meeting. Pieces approved by the Commission will be included in the online public survey. The public, through the online survey, will choose ten artworks and three to five alternates. The Commission will review the artworks, as selected by the public, at its December 10, 2026 regular meeting. Upon Commission approval, the selected works will be brought to City Council for final consideration.

A site visit, involving the consulting team, City staff members, and the Sculpture Exhibition Ad Hoc Subcommittee, will review proposed locations within the park to site the pieces. Locations of the sculptures are based upon existing site sensitivities such as protection of the habitat, the public view plane, clear access to all walkways, and the aesthetics of the park. The proposed placements will ensure that the existing view plane from Civic Center Drive southward is uncompromised.

City Council will review the recommended pieces and park placements at its January 12, 2027 meeting. If City Council approves the artworks and the proposed location for each piece, the project manager will then notify each artist that the artwork has been selected, and installation will take place in June 2027.

NOTICING:

This agenda item has been noticed according to the Brown Act (72 hours in advance of the meeting at which the City Arts Commission considers the item).
