

NOTICE OF PUBLIC HEARING

NOTICE IS HEREBY GIVEN that on **Thursday, May 15, 2025**, at **10:00 a.m.** or soon thereafter as the matter shall be heard, a public hearing will be conducted online via Zoom. The Zoning Administrator of the City of Newport Beach will consider the following application:

Burcher Residence - A request for a coastal development permit to allow the demolition of an existing single-unit dwelling and construction of a three-story 8,086-square-foot, single-unit dwelling with an attached 1,053-square-foot four-car garage and a 3,376-square-foot subterranean basement. The project includes reinforcement and raising of the existing bulkhead. Additionally, the project includes landscape, hardscape, and drainage. The project complies with all applicable development standards and no deviations are requested. All improvements authorized by this CDP will be located on private property.

The subject property is bisected by the coastal permit jurisdiction boundary, resulting in a portion of the single-unit dwelling, front patio accessory improvements, and the bulkhead improvements within California Coastal Commission's permit jurisdiction. This Coastal Development Permit is intended to cover portions of the project within the City's permit authority as designated in the Local Coastal Program (Title 21 of the Newport Beach Municipal Code).

The project is categorically exempt under Section 15303 – Class 3 (New Construction or Conversion of Small Structures) of the State CEQA (California Environmental Quality Act) Guidelines.

All interested parties may appear and present testimony regarding this application. If you challenge this project in court, you may be limited to raising only those issues you raised at the public hearing or in written correspondence delivered to the City or before the public hearing. The application may be continued to a specific future meeting date; if such an action occurs, additional public notice of the continuance will not be provided. Administrative procedures for appeals are provided in the Newport Beach Municipal Code Chapter 21.64 (Appeals). A fee is not required to appeal any final action on a coastal development permit to the Planning Commission. The project site is located within the appeal area of the coastal zone; therefore, final action by the City may be appealed to the California Coastal Commission.

The agenda, staff report, and corresponding documents will be available by end of business day on the Friday preceding the public hearing and may be reviewed at the Community Development Department Permit Center (Bay C-1st Floor), at 100 Civic Center Drive, Newport Beach, CA 92660 or the City of Newport Beach website at www.newportbeachca.gov/zoningadministrator. **Please review the Zoning Administrator Agenda for Zoom participation instructions.** Individuals not able to attend the meeting may contact the Planning Division or access the City's website after the meeting to review the action on this application. All mail or written communications (including email) from the public, residents, or applicants regarding an agenda item must be submitted by 12:00 p.m. on the business day immediately before the meeting. This allows time for the Zoning Administrator to adequately consider the submitted correspondence.
