## **7. CITY'S RESPONSIBILITIES**

To assist Consultant in the execution of its responsibilities under this Agreement, City agrees to provide access to and upon request of Consultant, one copy of all existing relevant information on file at City. City will provide all such materials in a timely manner so as not to cause delays in Consultant's Work schedule.

## **8. STANDARD OF CARE**

8.1 All of the Services shall be performed by Consultant or under Consultant's supervision. Consultant represents that it possesses the professional and technical personnel required to perform the Services required by this Agreement, and that it will perform all Services in a manner commensurate with community professional standards and with the ordinary degree of skill and care that would be used by other reasonably competent practitioners of the same discipline under similar circumstances. All Services shall be performed by qualified and experienced personnel who are not employed by City. By delivery of completed Work, Consultant certifies that the Work conforms to the requirements of this Agreement, all applicable federal, state and local laws, and legally recognized professional standards.

8.2 Consultant represents and warrants to City that it has, shall obtain, and shall keep in full force and effect during the term hereof, at its sole cost and expense, all licenses, permits, qualifications, insurance and approvals of whatsoever nature that is legally required of Consultant to practice its profession. ## **9. HOLD HARMLESS**

9.1 To the fullest extent permitted by law, Consultant shall indemnify, defend and hold harmless City, its City Council, boards and commissions, officers, agents, volunteers and employees (collectively, the "Indemnified Parties") from and against any and all claims (including, without limitation, claims for bodily injury, death or damage to property), demands, obligations, damages, actions, causes of action, suits, losses, judgments, fines, penalties, liabilities, costs and expenses (including, without limitation, attorneys' fees, disbursements and court costs) of every kind and nature whatsoever (individually, a Claim; collectively, "Claims"), which may arise from or in any manner relate (directly or indirectly) to any breach of the terms and conditions of this Agreement, any Work performed or Services provided under this Agreement including, without limitation, defects in workmanship or materials or Consultant's presence or activities conducted on the Project (including the negligent, reckless, and/or willful acts, errors and/or omissions of Consultant, its principals, officers, agents, employees, vendors, suppliers, consultants,

subcontractors, anyone employed directly or indirectly by any of them or for whose acts they may be liable, or any or all of them), and/or if it is subsequently determined that an employee of Consultant is not an independent contractor.

9.2 Notwithstanding the foregoing, nothing herein shall be construed to require Consultant to indemnify the Indemnified Parties from any Claim arising from the sole negligence or willful misconduct of the Indemnified Parties. Nothing in this indemnity shall be construed as authorizing any award of attorneys' fees in any action on or to enforce the terms of this Agreement. This indemnity shall apply to all claims and liability regardless of whether any insurance policies are applicable. The policy limits do not act as a limitation upon the amount of indemnification to be provided by Consultant.

## **10. INDEPENDENT CONTRACTOR**

10.1 It is understood that City retains Consultant on an independent contractor basis and Consultant is not an agent or employee of City. The manner and means of conducting the Work are under the control of Consultant, except to the extent they are limited by statute, rule or regulation and the expressed terms of this Agreement. Nothing in this Agreement shall be deemed to constitute approval for Consultant or any of Consultant's employees or agents, to be the agents or employees of City. Consultant shall have the responsibility for and control over the means of performing the Work, provided that Consultant is in compliance with the terms of this Agreement. Anything in this Agreement that may appear to give City the right to direct Consultant as to the details of the performance of the Work or to exercise a measure of control over Consultant shall mean only that Consultant shall follow the desires of City with respect to the results of the Services.

10.2 Consultant agrees and acknowledges that no individual performing Services or Work pursuant to this Agreement shall: work full-time for more than six (6) months; work regular part-time service of at least an average of twenty (20) hours per week for one year or longer; work nine hundred sixty (960) hours in any fiscal year; or already be a CalPERS member.

Control means fifty percent (50%) or more of the voting power or twenty-five percent (25%) or more of the assets of the corporation, partnership or joint-venture.

## **16. SUBCONTRACTING**

The subcontractors authorized by City, if any, to perform Work on this Project are identified in Exhibit A and the Letter Proposal. Consultant shall be fully responsible to City for all acts and omissions of any subcontractor. Nothing in this Agreement shall create any contractual relationship between City and any subcontractor nor shall it create any obligation on the part of City to pay or to see to the payment of any monies due to any such subcontractor other than as otherwise required by law. City is an intended beneficiary of any Work performed by the subcontractor for purposes of establishing a duty of care between the subcontractor and City. Except as specifically authorized herein, the Services to be provided under this Agreement shall not be otherwise assigned, transferred, contracted or subcontracted out without the prior written approval of City.

Consultant shall have an immediate right to appeal to the City Manager or designee with respect to such disputed sums. Consultant shall be entitled to receive interest on any withheld sums at the rate of return that City earned on its investments during the time period, from the date of withholding of any amounts found to have been improperly withheld.

## **22. ERRORS AND OMISSIONS**

## **SCOPE OF SERVICES**

# 4 Approach and Understanding

**As experienced land-use planners, we are experts in developing and leading cohesive, effective, multi-disciplinary teams.**

## Project Approach

Psomas' current team of professionals offers decades of professional expertise throughout Southern California cities, representing public and private clients in various jurisdictions, managing planning complex projects, processing and understanding all types of entitlements and permits, developing and implementing strategic long-range planning, project advocacy, scheduling and cost estimating, negotiating agency exaction, and presenting projects with challenging political issues to community stakeholders and public bodies.

As experienced land use planners, urban designers, and community outreach professionals, Psomas is committed to fostering trust-based client relationships that will last well beyond any single project. Building upon the notion of this relationship is establishing a line of communication that facilitates data sharing, project information updates, and schedule and cost maintenance. We will rely on the expertise and knowledge of the City staff as much as they will rely on our capabilities to provide the design land use and planning services. In light of this approach, Psomas envisions a synergistic working relationship with the City that would enable the process to progress efficiently, while facilitating the exchange of ideas; knowledge gathering; transfer of information; and partnering on the common objectives on-schedule and within budget.

## Technical Approach

Whenever Psomas approaches a new project or community, we strive to educate ourselves on the community's established vision, goals, and priorities. Our ultimate goal is to be an extension of the City staff and provide worry-free service to your project management. Psomas will complete each of the responsibilities identified in the scope of services using the following approach:

### Leadership

Rose Fistrovic leads Psomas' Planning and Land use Entitlements team and will be the principal in charge of the contract for the City. She has over 38 years of experience in land development. Supporting Rose and acting as a daily point of contact is Paul Garry, who is a Senior Project Manager and Urban Planner with over 35 years of experience. Rose and Paul have a breadth of experience ranging from small- to large-scale projects for public and private sector clients alike.

## Locally Based Expertise and Skill Sets

In practical terms, the Psomas will range from Planner I to Senior Project Manager. This will allow both the City and Psomas to assign the most suitable staff member based on the complexity of the task, thereby saving time and budget allocation. Our team contributes a wealth of expertise and diverse perspectives to bolster the City's mission and program strategies. This includes hands-on experience in applying and analyzing zoning codes and entitlements, interpreting and executing new legislation, and implementing best practices and research related to housing policies and equity. We acknowledge that the City's planning priorities may evolve due to market dynamics, legislative changes, grants, and local initiatives. As such, we'll collaborate directly with the City's leadership to reassess project priorities and adjust the implementation schedule as necessary.

## Listening

For 79 years, Psomas has built its reputation by making sure our clients are satisfied with our services. Beyond providing quality of work product, we are committed to a more comprehensive definition of customer service.

To this end, Psomas' approach emphasizes listening to the client and hearing your needs. We will converse with the City's Project Manager(s) to determine the precise nature and goals of the assignment requested. We will obtain critical information such as the expected budget, expected schedule, and any special considerations.

## Formulating

For this as-needed contract, Psomas will meet with the City's Project Manager(s) to assess the assignments' technical requirements. We will confirm that the scope of services aligns with client expectations and will develop detailed scope of work and work plans, as appropriate.

After establishing the project goals and deliverables, we will formalize the definition, which will be confirmed with the Project Manager and documented in a proposal to the City.

## Communicating

We maintain open lines of communication with our clients to report progress, identify problems, assign priorities, receive feedback, and document progress. From project start-up through close-out, we focus on communication, making sure actions are taken promptly.

While we listen, solicit feedback, and adapt ourselves to each client's unique needs and goals, our communication includes the following baseline of features:

- ▶ Develop project scope, schedule and work plan. This includes scheduled kick-off meetings and site visit(s) with the City's leadership and Project Managers
- ▶ Meet with the City's internal team, as determined by the project schedule
- ▶ Facilitate, participate, and document meetings with the Client and all team members
- ▶ Review progress scope of work
- ▶ Take minutes of all project-related meetings
- ▶ Provide written monthly status reports and in-person briefings, as desired by the City

- ▶ Provide detailed monthly invoices broken down by task, staff hours, and hourly rates
- ▶ Recommend ways to reduce cost

## Cost Control

Psomas successfully manages the cost control of a project with our prospective communication and a thorough financial management plan. Our financial management plan includes:

- ▶ Complete billings records
- ▶ Accurate cost estimates
- ▶ Budget status
- ▶ Personnel utilization reports broken out by task and employee

The utilization reports are produced weekly using financial management software. The Psomas Project-at-a-Glance proprietary accounting system is linked with our intranet to facilitate

information-sharing and provide up-to-date project information. This information offers daily financial updates to the task managers. Project-at-a-Glance provides the management and accounting staff with a detailed account of each project and task. It breaks down the budget, hours worked, individual employee hours, and project cost.

## Staffing and Resources Management Plan

The Psomas team is available to work on the City's projects in accordance with an agreed-upon project schedule. Our team has the immediate capacity to provide sufficient staff on any project as framed within the RFQ.

Any policy inception date, continuity date, or retroactive date must be before the Effective Date of this Agreement and Consultant agrees to maintain continuous coverage through a period no less than three years after completion of the Services required by this Agreement.

4. Other Insurance Requirements. The policies are to contain, or be endorsed to contain, the following provisions:

- A. Waiver of Subrogation. All insurance coverage maintained or procured pursuant to this Agreement shall be endorsed to waive subrogation against City, its City Council, boards and commissions, officers, agents, volunteers and employees or shall specifically allow Consultant or others providing insurance evidence in compliance with these requirements to waive their right of recovery prior to a loss. Consultant hereby waives its own right of recovery against City, and shall require similar written express waivers from each of its subconsultants.
- B. Additional Insured Status. All liability policies including general liability, excess liability, pollution liability, and automobile liability, if required, but not including professional liability, shall provide or be endorsed to provide that City, its City Council, boards and commissions, officers, agents, volunteers and employees shall be included as insureds under such policies.

- D. Notice of Cancellation. All policies shall provide City with thirty (30) calendar days' notice of cancellation (except for nonpayment for which ten (10) calendar days' notice is required) or nonrenewal of coverage for each required coverage.

5. Additional Agreements Between the Parties. The parties hereby agree to the following:

- A. Evidence of Insurance. Consultant shall provide certificates of insurance to City as evidence of the insurance coverage required herein, along with a waiver of subrogation endorsement for workers' compensation and other endorsements as specified herein for each coverage. Insurance certificates and endorsement must be approved by City's Risk Manager prior to commencement of performance. Current certification of insurance shall be kept on file with City at all times during the term of this Agreement. The certificates and endorsements for each insurance policy shall be signed by a person authorized by that insurer to bind coverage on its behalf. At least

fifteen (15) days prior to the expiration of any such policy, evidence of insurance showing that such insurance coverage has been renewed or extended shall be filed with the City. If such coverage is cancelled or reduced, Consultant shall, within ten (10) days after receipt of written notice of such cancellation or reduction of coverage, file with the City evidence of insurance showing that the required insurance has been reinstated or has been provided through another insurance company or companies. City reserves the right to require complete, certified copies of all required insurance policies, at any time.

B. City's Right to Revise Requirements. City reserves the right at any time during the term of the Agreement to change the amounts and types of insurance required by giving Consultant sixty (60) calendar days' advance written notice of such change. If such change results in substantial additional cost to Consultant, City and Consultant may renegotiate Consultant's compensation.

C. Right to Review Subcontracts. Consultant agrees that upon request, all agreements with subcontractors or others with whom Consultant enters into contracts with on behalf of City will be submitted to City for review. Failure of City to request copies of such agreements will not impose any liability on City, or its employees. Consultant shall require and verify that all subcontractors maintain insurance meeting all the requirements stated herein, and Consultant shall ensure that City is an additional insured on insurance required from subcontractors. For CGL coverage, subcontractors shall provide coverage with a format at least as broad as CG 20 38 04 13.

D. Enforcement of Agreement Provisions. Consultant acknowledges and agrees that any actual or alleged failure on the part of City to inform Consultant of non-compliance with any requirement imposes no additional obligations on City nor does it waive any rights hereunder.

E. Requirements not Limiting. Requirements of specific coverage features or limits contained in this Section are not intended as a limitation on coverage, limits or other requirements, or a waiver of any coverage normally provided by any insurance. Specific reference to a given coverage feature is for purposes of clarification only as it pertains to a given issue and is not intended by any party or insured to be all inclusive, or to the exclusion of other coverage, or a waiver of any type. If the Consultant maintains higher limits than the minimums shown above, the City requires and shall be entitled to coverage for higher limits maintained by the Consultant. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the City.

F. Self-insured Retentions. Any self-insured retentions must be declared to and approved by City. City reserves the right to require that self-insured retentions be eliminated, lowered, or replaced by a deductible. Self-insurance will not be considered to comply with these requirements unless approved by City.

- G. City Remedies for Non-Compliance. If Consultant or any subconsultant fails to provide and maintain insurance as required herein, then City shall have the right but not the obligation, to purchase such insurance, to terminate this Agreement, or to suspend Consultant's right to proceed until proper evidence of insurance is provided. Any amounts paid by City shall, at City's sole option, be deducted from amounts payable to Consultant or reimbursed by Consultant upon demand.
- H. Timely Notice of Claims. Consultant shall give City prompt and timely notice of claims made or suits instituted that arise out of or result from Consultant's performance under this Agreement, and that involve or may involve coverage under any of the required liability policies. City assumes no obligation or liability by such notice, but has the right (but not the duty) to monitor the handling of any such claim or claims if they are likely to involve City.
- I. Consultant's Insurance. Consultant shall also procure and maintain, at its own cost and expense, any additional kinds of insurance, which in its own judgment may be necessary for its proper protection and prosecution of the Work.
