I have boated on our special harbor for at least 29 of my 31 years living in Newport. I've owned boats from 13' to 31', including Sabots, Whalers, rowing shell, and a Bertram. Kept a boat at Basin and on a mooring. My kids benefitted immensely from our special harbor-son was a rower at NAC and recruited as student athlete to the Ivy League, my daughter is a current college sailor in the Ivy League recruited from CDM Sailing Team. I've spent too many days as a Race Committee member for local regattas. I've witnessed our harbor transform in the summer from relatively serenity to obnoxious raft ups akin to Havasu. Electric boat rentals v. dinghy sailors v. 60' rowing shells--there is room for all if managed correctly! I live near the Back Bay and weekly walk the bluffs. I have a real estate law background and a "special place" in my heart for the California Coastal Commission. I don't have an opinion on eel grass (yet).

Thank you for the opportunity to submit this application for the open Harbor Commission position. I am very interested in getting more involved within our community and have a strong affection for our harbor in Newport Beach. I am a long-term boat owner with a slip in Newport and have lived in Newport Beach for over 20 years. I believe that our city owns and operates the most beautiful harbor on the West Coast, and I would fully commit myself to serving the needs of all constituents within our community. I have gained significant experience through my business career, from starting my company and helping it grow over thirty years. Additionally, I have served on multiple philanthropic and for-profit boards and assisted these entities in managing their organizations with a focus on long term planning and organizational development. Utilizing my background, I would bring a commitment to understand the needs of our community that the Commission is responsible for and bring a reasonable voice from a long-term resident and boater who understands the value of our Harbor.

I certify that all statements made on this application are true and correct to the best of my knowledge. I have read and understand the duties and responsibilities of the particular position(s) that I am applying for and authorize the release of this information on the internet.

Re: Expiration of Term

---

The purpose of this document is to formally request that I be considered for a full term for my expiring position as a member of the Newport Beach Harbor Commission. In June of 2019 I was appointed to fill an open position due to a Commissioner leaving after two years of the four-year term. I was selected for this opening and this term is currently expiring.

I would like to request that I be re-appointed for a full four-year term this June. I have been an active member of the Harbor Commission and have accomplished several objectives during the past two years. One example of this, which was also presented to the City Council, was the Harbor Stakeholder/Attendance Study. I have spent the last two years getting up to speed on numerous areas where the Harbor Commission is involved, and this experience will allow me to be significantly more informed and productive.

I would like to thank you very much for your consideration. I have genuinely enjoyed working with everyone on staff with the City and appreciate what they have done for me.

Respectfully,

Steve Scully

To the extent a Planning Commissioner is an "officer" under Government Code section 84308, subdivision (a), I may have conflicts under Government Code section 84308, subdivisions (b) and (c) because I received several contributions over \$250 to my 2024 school board campaign committee in the 12 months preceding the date of this application. My wife, Whitney, is employed as a Senior Manager at the Irvine Company, and we own our home. We also own several publicly traded stocks.
