#### Newport Harbor Safety Quiz

**Instructions:** Please answer all questions below to demonstrate your understanding of the safety information presented in the Newport Harbor Safety Video. A passing score is required before operating your rental vessel.

##### Section 1 – Life Jackets

**Q1. California law requires children of what age to wear a life jacket at all times while on the water?**

- A) 10 and under
- B) 12 and under
- C) 13 and under ✓**
- D) 16 and under

**Q2. Why are life jackets important even for strong swimmers?**

- A) They are only required by law
- B) They are essential for flotation and visibility ✓**
- C) They keep you warm
- D) They are only needed in rough water

##### Section 2 – Speed & Navigation

**Q3. What is the speed limit in Newport Harbor?**

- A) 3 mph
- B) 5 mph, no wake ✓**

- C) 10 mph
- D) There is no posted speed limit

**Q4. Where should slower, less maneuverable craft navigate within the harbor channels?**

- A) Down the center of the channel
- B) Behind faster vessels
- C) To the edges of the channels ✓**
- D) Anywhere they choose

**Q5. Where does the main navigational channel run, and where does it lead?**

- A) Through the center of the harbor, providing access to the Pacific Ocean ✓**
- B) Along the Balboa Peninsula, leading to the Back Bay
- C) Through the upper Newport Bay
- D) Along the north shore only

### **Section 3 – Safety Briefings**

**Q6. What should rental concession operators provide before you set off on the water?**

- A) A map only
- B) A verbal greeting
- C) A comprehensive safety briefing covering vessel operation, local regulations, and emergency procedures ✓**
- D) A written waiver

**Q7. What information should the rental staff explain during the safety briefing?**

- A) Pricing and rental duration only
- B) How to operate the vessel, what to do in an emergency, and where safety equipment is located ✓**
- C) Weather forecasts only
- D) Parking instructions

### **Section 4 – Harbor Awareness**

**Q8. What should you do with trash while on the water?**

- A) Dispose of it overboard in open water
- B) Leave it on the dock
- C) Dispose of it properly and help keep the harbor clean and beautiful ✓**
- D) It is the rental operator's responsibility

### **Section 5 – General Safety**

**Q9. What is the most important principle all operators should follow, given the variety of watercraft sharing Newport Harbor?**

- A) Operate as fast as possible to clear the channel
- B) Stay close to other vessels for safety
- C) Stay aware of surroundings and prioritize safety and responsible seamanship ✓**
- D) Only operate during daylight hours

**Q10. In an emergency, what is the recommended first step if you cannot paddle your vessel?**

- A) Jump into the water and swim to shore
- B) Call a friend
- C) Wave your paddle from side to side to signal your need for help, and paddle to the nearest dock if possible ✓**
- D) Anchor in place and wait

*By completing this quiz, you confirm that you have watched the Newport Harbor Safety Video and understand the basic rules and safety requirements for operating a rental vessel on Newport Harbor. Harbor Patrol is available at (949) 270-8159 for assistance.*
