ORDINANCE NO. 2025-22

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF NEWPORT BEACH, CALIFORNIA, AMENDING SECTION 10.08.005 (DEFINITIONS) AND ADDING SECTION 10.08.012 (SAFE USE OF MEDIANS) TO CHAPTER 10.08 (USE OF PUBLIC PROPERTY AND INTERFERENCE WITH PUBLIC ACCESS) TO TITLE 10 (OFFENSES AND NUISANCES) OF THE NEWPORT BEACH MUNICIPAL CODE, RELATING TO THE PROTECTION OF PEDESTRIANS, VEHICLE TRAFFIC AND LANDSCAPING

WHEREAS, Section 200 of the City Charter, of the City of Newport Beach ("City"), vests the City Council with the authority to make and enforce all laws, rules and regulations with respect to municipal affairs, subject only to the restrictions and limitations contained in the City Charter and the State Constitution, and further grants the City Council the power to exercise, or act pursuant to any and all rights, powers, and privileges or procedures granted or prescribed by any law of the State of California;

WHEREAS, numerous medians in Newport Beach have been enhanced with landscaping and design improvements to promote visual aesthetics, environmental quality, and community character;

WHEREAS, the standing or walking on improved medians can cause significant damage to irrigation systems, vegetation, decorative hardscape, and other improvements, resulting in increased maintenance and replacement costs borne by the City and its taxpayers;

WHEREAS, the presence of pedestrians on medians, particularly those that are not designed for pedestrians, poses a substantial safety hazard to both pedestrians and motorists because the pedestrians distract drivers, especially in areas with high traffic volumes and limited sight distances;

WHEREAS, the Federal Highway Administration (FHWA) recommends installing medians or pedestrian refuge islands to improve safety and help protect the public and drivers, particularly in areas with multilane intersections and a significant mix of pedestrian and vehicle traffic, provided that the medians or refuge islands are, at a minimum, 48 inches wide (FHWA, *Proven Safety Countermeasures*);

WHEREAS, many arterial roads, streets, and intersections in the City - including Pacific Coast Highway, MacArthur Boulevard, Dover Drive, Jamboree Road, San Miguel

Drive, San Joaquin Hills Road, Avocado Avenue, Newport Coast Drive, Newport Boulevard, and West/East Balboa Boulevard - feature raised medians to facilitate traffic flow and enhance pedestrian safety;

WHEREAS, it is unsafe for any person to stand or walk on any unraised median or raised/improved median that lacks an improved, flat, raised surface of more than forty-eight (48) inches in width and forty-eight (48) inches in length, as such medians do not provide adequate protection for pedestrian use; and

WHEREAS, the City Council finds that this ordinance is necessary to preserve the integrity of public landscaping, reduce avoidable replacement/maintenance costs, enhance traffic safety, and protect both pedestrians and motorists from the unsafe use of medians that are not designed for pedestrian use.

NOW THEREFORE, the City Council of the City of Newport Beach ordains as follows:

10.08.012 Safe Use of Medians.

A. Purpose. The purpose of this section is to promote public safety and preserve City infrastructure by prohibiting unsafe or damaging conduct on medians, particularly those that are landscaped, have decorative hardscape, or are not designed for pedestrian occupancy. The City has determined that the presence of individuals on such medians presents a safety hazard to both pedestrians and motorists and causes damage to public landscaping and decorative hardscape improvements.

B. Prohibited Conduct. Except as provided in subsection C, it is unlawful for any person to stand or walk on any median within the City under any of the following conditions:

1. The median is not a raised median;
2. The location where the person is standing or walking is an Improved Median; or
3. The location where the person is standing or walking does not provide a flat paved or concrete surface area that is more than forty-eight (48) inches in width by forty-eight (48) inches in length.

C. Exceptions. This section shall not apply to:

1. City employees or contractors including, but not limited to, emergency personnel, performing their duties, maintenance, or other authorized work;
2. A person standing or walking in a designated pedestrian refuge island; or

3. If the vehicular traffic on the street or intersection is prohibited or limited for a City sponsored event or an event for which the City has issued a special event permit.

Section 4: The recitals provided in this ordinance are true and correct and are incorporated into the substantive portion of this ordinance.

Section 5: If any section, subsection, sentence, clause or phrase of this ordinance is for any reason held to be invalid or unconstitutional, such decision shall not affect the validity or constitutionality of the remaining portions of this ordinance. The City Council hereby declares that it would have passed this ordinance and each section, subsection, sentence, clause or phrase hereof, irrespective of the fact that any one or more sections, subsections, sentences, clauses or phrases be declared invalid or unconstitutional.

Section 6: The City Council finds the introduction and adoption of this ordinance is not subject to the California Environmental Quality Act ("CEQA") pursuant to Sections 15060(c)(2) (the activity will not result in a direct or reasonably foreseeable indirect physical change in the environment) and 15060(c)(3) (the activity is not a project as defined in Section 15378) of the CEQA Guidelines, California Code of Regulations, Title 14, Division 6, Chapter 3, because it has no potential for resulting in physical change to the environment, directly or indirectly.

Section 7: Except as expressly modified in this ordinance, all other sections, subsections, terms, clauses and phrases set forth in the Newport Beach Municipal Code shall remain unchanged and shall be in full force and effect.
