Please STOP the condo or apartment development you are voting on on July 9th! We can hardly handle today's traffic! I have lived here in Newport Beach since 1981 and all this development is destroying a beautiful place that was special to live in. Stop the over development PLEASE.

Thank you for consideration- Sue Ellen Volpe - 39 Ocean Vista.

Please explain to us how making the airport area all market-level residential housing makes sense. If there are no more offices, where are these residents driving to to go to work??? A well planned community, which your office is responsible for providing, would have PARKS, grocery stores, local mechanics, churches, and schools. There is none of that in the airport area. DO BETTER!

Please do not approve the 1301 DOVE ST. RESIDENTIAL DEVELOPMENT!!! The traffic is overwhelming NOW!!
ALL CITIES ARE KILLING THE RESIDENTS WITH THEIR MEGA APARTMENTS!
