NOTICE IS HEREBY GIVEN that on **Thursday, January 30, 2025, at 10:00 a.m.** or soon thereafter as the matter shall be heard, a public hearing will be conducted online via Zoom. The Zoning Administrator of the City of Newport Beach will consider the following application:

The existing bulkhead protecting the project site will be raised to a height of 12.80 North American Vertical Datum of 1988 (NAVD 88). The project also includes landscaping, hardscaping, and site walls. The project complies with all development standards and no deviations from the Newport Beach Municipal Code (NBMC) are requested. The project is categorically exempt pursuant to Section 15303 under Class 3 (New Construction or Conversion of Small Structures) of the State CEQA (California Environmental Quality Act) Guidelines.

All interested parties may appear and present testimony regarding this application. If you challenge this project in court, you may be limited to raising only those issues you raised at the public hearing or in written correspondence delivered to the City or before the public hearing. The application may be continued to a specific future meeting date; if such an action occurs, additional public notice of the continuance will not be provided. Administrative procedures for appeals are provided in the Newport Beach Municipal Code Chapter 21.64 (Appeals). A fee is not required to appeal any final action on a coastal development permit to the Planning Commission.
