Summarize why you wish to serve the City of Newport Beach on a board, commission or committee. Include any special qualifications you have which are particularly appropriate to the position for which you are applying.

I grew up in Newport Beach, played AYSO soccer at the parks, jumped off the pier and did the Monster Mile as a Junior Guard, spent many hours exploring the tide pools at Little Corona and playing in the waves at Big Corona. I got engaged by the rocks at Little Corona because my now husband knew that was one of my favorite places. I have spent many hours walking and running along the Newport Beach shoreline where I can clear my mind and feel connected to nature. Buck Gully quickly became a favorite local escape when I finally discovered its existence a few years ago. My husband and I routinely work out at Irvine Terrace park using the outdoor fitness equipment.

My family and I now live in the Bluffs neighborhood in the serene setting of the Back Bay. 3-4 times a week we are out on the Back Bay trail running, walking, or biking and enjoying the sights and sounds of nature. My 5-yr old daughter is now playing on the same AYSO fields that I once did and my 2.5-yr old son is enrolled in is very first multi-sports camp at Marina Park this upcoming March. It is so special to me to share the same love for the outdoors and physical activity with my kids. My grandparents benefited from the wonderful facilities at the Oasis senior center and my parents are likely to start using sometime in the next few years.

Newport Beach is full of recreation and natural treasures for all ages, and I am personally invested in ensuring these resources facilities are stewarded well for families and people of all ages to enjoy. I genuinely believe that the beaches, parks and recreational facilities are the heart of what make Newport Beach the very best community to live, work and play. These settings are where memories are made, friendships are forged, adventure is sought and found, connections are made with nature, hearts and bodies are exercised, and community comes together.

Beyond my personal motivations for joining this commission, my professional experience in both the HR space and now marketing and commercial strategy has equipped me to bring a balanced people-first perspective and a structured approach to decision making. I believe my experience in Marketing will also be an asset to the commission as we seek to engage the community in the various city offerings.

I would consider it a privilege and an honor to serve on this commission and appreciate your consideration. Please reach out if you would like any other information on my background or motivation in applying for this position.

I have lived in Newport Beach my whole life, spending most of my life in CdM, graduating from Corona del Mar High School. The Finster family goes way back in Newport Beach. My Grandfather, Frank "Finney" Finster owned Finney's Fountain & Grill @ 2200 W. Ocean Front. He also owned a bar by the historic Rendezvous Ballroom called The Green Dragon and was a founding member of the American Legion Post 291. My grandmother was a nurse and was a member of the McFadden family. I am very fortunate to have lived in the Newport Beach and experience the changes. I am a firm believer that you have to give back to your community, I have done that over the years and continue to do so. It has been a GREAT place to grow up in.

Summarize why you wish to serve the City of Newport Beach on a board, commission or committee. Include any special qualifications you have which are particularly appropriate to the position for which you are applying.

I have lived & worked in the local community since 2000, and as a local homeowner I value our unique community. I would like to serve on the Parks, Beaches, & Recreation Commission in an effort to help maintain and enhance the quality of life in Newport Beach. As someone who frequents parks and/or beaches in our community on a regular basis, I feel as though I have a good grasp of the value of these spaces.

As a teacher in the city I feel that I could be an asset in helping promote public interest in the parks, beaches, and recreation programs within the city. Additionally, I believe that I could be valuable liaison with the school district. I have been actively engaged with the Newport Harbor High School community:

- Faculty advisor to various on-campus clubs (October 2000 - present)
- Faculty liaison and co-coordinator with the Newport Beach Police Department for the Every 15 Minutes program (2003-2017)
- Assistant Coach for both the Cross Country and Track & Field teams (January 2001 - June 2016)
- Faculty liaison to the NHHS Hall of Fame Committee (October 2013 - present)
- Member of the Textbook Adoption Steering Committee for the Newport Mesa Unified School District and various other district grade level committees related to curriculum and instruction.

Through my involvement, I have been able to build relationships and connect with a diverse population to help work towards common goals that can enrich our community.

I realize that there would be a lot to learn, but I have always been committed to being involved in the betterment of my community.
Thank you for your consideration of my application!

It has occurred to me in this divisive and strange time that it is very easy to be enraged or encouraged depending on what you take in. However, what people fail to see are opportunities of agency to affect positive change as opposed to merely being sidelined as things happen. As someone who has lived in this great city for thirty nine years and worked for it previously for twenty, I see this position as a great opportunity to enhance and improve upon the quality of life we are striving for while preserving these integral parts that make up Newport Beach. I have been fortunate to view the history of our city as an employee, a resident, and someone charged with protecting our visitors. Newport Beach is an incredible place to live and I believe I can help protect and preserve it.
