Dear Chair Ellmore and Members of the Planning Commission,

I am writing to support the Sage Hill School application for a middle school. Since moving to Newport Beach ten years ago, I have been amazed by the education offered at Sage and the positive community engagement by students and faculty. I am so excited that more students will have the chance to take advantage of this incredible school!

Please vote to approve the requested use permit.

Thank you,
Colleen Rivers

Chair Ellmore and Members of the Planning Commission:

I am a resident of Newport Beach and wholeheartedly support Sage Hill School's application for a middle school. As a parent of two Sage Hill graduates (2010, 2013) I have seen Sage Hill grow and expand both its facilities and its student population through a combination of thoughtful planning and outstanding execution. The result is a School providing a unique, excellent education, while at the same time actively engaging with, and striving to improve our community. A middle school will enable Sage Hill to reach more children and become even more representative of our diverse population. Extending this extraordinary educational opportunity to more students is the logical evolution of Sage Hill's mission and will be a 'win'

for all of us—both today and for generations to come. Please vote to approve the requested use permit.

Sincerely,

Mark Murray
