RE: Tennis Club at Newport Beach Project Amendment - Project File No.: PA2021-260
FROM: Denise Larson
POSITION: AGAINST the project amendment

One of the property owners has proposed to replace the Tennis and Pickleball Club of Newport Beach with a small hotel and a fraction of the tennis courts. The 35 Pickleball courts will be demolished. This will result in the loss of an incredibly-frequently-used facility that literally serves thousands of Newport Beach residents. Every day, literally hundreds of residents use the club. The project, if passed, will represent an immediate, huge loss for Newport Beach residents and others who attend from surrounding city's.

This Amendment proposal is coming up for a City Council vote on September 27th, and we urge the Council to deny it.

I live in Seal Beach but I'm at the club 5 days a week. I shop and frequent restaurants on daily basis along with my husband.

When the clubs has a tournament, we often get a hotel room to save travel time since they usually start early.

It's such a special place.
We were mislead by management in signing a petition several months ago.
I do not support the current Plan B.

Please deny Plan B!

Denise Larson

RE: Tennis Club at Newport Beach Project Amendment - Project File No.: PA2021-260
FROM: (Name)
POSITION: AGAINST the project amendment

Dear Council Members:

One of the property owners has proposed to replace the Tennis and Pickleball Club of Newport Beach with a small hotel and a fraction of the tennis courts. The 35 Pickleball courts will be demolished. This will result in the loss of an incredible facility that serves thousands of Newport Beach residents. Every day, hundreds of residents use the club. The project, if passed, will represent an immediate, huge loss for Newport Beach residents, myself included.

I am so thankful for my daily Pickleball matches for both exercise and friendships. As a physician for 30 years, it has saved my sanity these past 2 years while working hard at the front lines of the pandemic in urgent care. I can attest that ALL 2000+ members feel that this club that accommodates hundreds of us daily has made our lives richer and healthier.

This Amendment proposal is coming up for a City Council vote on September 27th, and we urge the Council to deny it.

Thank you for your consideration of all the residents'/members' involved in this proposal.

Sincerely,
Alison Sims, M.D.

FR: Don & Judy Cole- NB Residents and Members of the NB Tennis & Pickleball Club
Re: The Tennis Club at Newport Beach Project Amendment- PA2021-260

Robert O'Hill- the managing owner of the property- has proposed to replace the Tennis and Pickleball Club of Newport Beach with a boutique bungalow hotel and a fraction of the courts that currently exist. The members of the "Club" have been misled all along the process into supporting the proposed amendment and inadvertently, the Project itself. While earlier this year the members supported a campaign to stop the development of high rise apartments on the property- proposed by O'Hill's other partners, it is not true that those petitions supported O'Hill's plan or amendment as was stated to the Planning Commission at the last meeting, and to Stu News Newport the following day.

O'Hill stated to the Club membership on multiple occasions that the tennis courts represented on the original plans as tennis were only there because there was no pickleball 10 years ago when the original plans were approved. He explained that the plan was to build out the facility into an upgraded venue with only pickleball courts. Site plans as follows were presented to the members by O'Hill at a July 7 meeting:

O'Hill and Abdali (the managing director of the Club) both reiterated that there will be NO tennis courts (even the center stadium tennis court would be replaced with pickleball) and NO interruption in play. Further, O'Hill committed that the site plans for the City would be updated to reflect Pickleball for the next presentation to the Planning Commission and then to the City Council. As it turned out, the plans that were submitted were not updated as promised and were submitted with all tennis courts. When confronted, O'Hill and Abdali continued to promise that pickleball will continue even if the plans don't designate Pickleball. The day before the Planning Commission meeting on September 8, O'Hill and Abdali asked the members NOT to come to the podium for individual public comments at the Planning Commission meeting to save time, but to stand all at once when requested to represent their endorsement of the plans. So at the Planning Commission Meeting- AFTER public comments were complete, AFTER several NBPC members stood upon request to support the amendment, and right before the vote- the commissioners and staff clarified there is NO pickleball under this plan. A condition of approval for the amendment is that "Pickleball courts shall not be permitted after the issuance of a Certificate of Occupancy for the Tennis Clubhouse and Spa and Fitness Center unless the property owner and/or pickleball facility operator shall follow any and all City of Newport Beach General Plan, Municipal Code, or other applicable requirements in order to continue the use of pickleball courts". Sadly, the amendment passed.

Pickleball IS the Tennis Club today and yet the 35 existing PB courts (which are not even reflected on the as built/existing plan) will be demolished per the new plans. This will result in

the loss of an incredibly and frequently used facility that serves thousands of Newport Beach residents. The project, if passed will represent a huge loss for Newport Beach residents. It is home to almost 2000 residents playing pickleball each week and that number continues to grow. The Club houses tennis and pickleball camps, programs and youth activities along with countless charity functions and major tournaments that serve thousands. It has become clear that the proposal for hotel units and a few tennis courts turns it into something that serves only the property owner- not the interests of the City of Newport Beach residents. Pickleball and these types of events will vanish and already there are not enough pickleball courts in Newport Beach. Bonita Canyon and the few new additional courts planned in Newport Coast are woefully inadequate.

We need more open space with more recreational areas to enjoy outdoor physical activity and the benefits that come with it. The Club- which spans 60 years of our city's history- is a rare facility that serves every age group in Newport- from our kids to our seniors. Replacing the Club with hotel rooms and a minimized recreation space will only enrich a few at the expense of .

We urge the City Council to deny this plan amendment. Thank you.

Subject: Petition Asking Council to Reject PA2021-260 (476 Signatures)

[EXTERNAL EMAIL] DO NOT CLICK links or attachments unless you recognize the sender and know the content is safe.

Greetings City of Newport Council Members:

I am submitting the attached petition asking the City Council to vote against and reject The Tennis Club at Newport Beach Project Amendment (PA2021-260) submitted by Golf Realty Fund.

My name is Dalen Lawrence and I live in Eastbluff. This completely digital petition was generated and administered using the services of gopetitions.com. The signatures all have verifiable email addresses and represent a high level of quality.

Our group collected 476 signatures mainly by posting links on a member only chat forum. The overwhelming majority of these names are members of TTC. Also, the majority of the households represent Newport Beach residents. These names were collected in 15 days. Had we more time, there would be significantly more signatures.

The petition language is simple:

We the undersigned call on the Newport Beach City Council to deny the following Development Plan Amendment:

The Tennis Club at Newport Beach Project Amendment (PA2021-260) submitted by Golf Realty Fund that includes the demolition of the club and its replacement by a hotel.

The language of the petition comes from Page 8 of the planning commission hearing. (Attached)

Please consider our petition in making your decision.

Thank you,

Dalen Lawrence

Save Our Club

Published by Friend Of TTC on 12th Sep 2022

We strongly oppose the plan to demolish The Tennis Club at Newport Beach and replace it with a hotel.

For 60 years, generations of Newport Beach families have utilized this club as a recreation destination and it is currently home to nearly 2000 members that have built a community around the clubs 31 pickleball courts, 15 tennis courts and a newly remodeled clubhouse.

Not only does this historic club provide its members with life changing mental and physical health benefits from playing pickleball and tennis, it is also home to many of the communities philanthropic events which support local schools and charities. In addition it has become one of the countries largest pickleball and tennis event venues supporting the City's hospitality industry.

We the undersigned call on the Newport Beach City Council to deny the following Development Plan Amendment:

The Tennis Club at Newport Beach Project Amendment (PA2021-260) submitted by Golf Realty Fund that includes the demolition of the club and its replacement by a hotel.

The anticipated duration of construction of the Proposed Project is approximately 20 months, which will begin with the demolition of the existing tennis and pickleball courts and portion of the parking lot. Six (6) tennis courts are to be maintained for use during construction. The construction of the hotel rooms, tennis club house and stadium court will follow immediately and will be completed with the construction of the residential units. A Phasing Plan is included as part of the Project Plans and is attached to the Staff Report (Attachment No. PC 6).

The property has an existing parking lot with two (2) entrances currently taken from Clubhouse Drive, which has a westerly outlet to East Coast Highway and an easterly outlet to Granville Drive and Newport Center Drive. During the various phases of construction, the easterly entrance to the parking lot will remain available to the public for parking and will provide direct access for the modular office trailer and portable toilets, while the westerly entrance will be for construction access only. A Construction

Please do not take away The Tennis Club! I have been wanting to become a member here for some time and they are so popular that I am on a waitlist. It's one place that people like me can meet other friendly people that also enjoy tennis and pickle ball. We just had the Veia Hotel open up in Fashion Island, the Island Hotel has been sitting vacant during ALL of covid and beyond, we have plenty of good hotels and the last thing we need is another one and taking away something our community needs, uses and can't wait to get off that waitlist to be a part of. Thank you for your time.

	This club has served the community for over 60 years. It's presence has allowed to city to direct resources elsewhere. If the club is eliminated, the city will need to provide additional rec facilities. Far better to preserve the club and all the benefits it provides to the community. Given the popularity of pickleball, this is also a benefit to the owner by appealing to the pickleball community as a pickleball destination!

This is an important place of fun and recreation for so many. A hotel can be placed elsewhere if needed.										
370	Mr.	Jordan	Gold	jorddango@gmail.com	19746 Oceanaire Circle	Huntington Beach	CA	92648		Sep 19, 2022
I have been involved with growing Pickleball in Newport Beach as a volunteer since 2014. My wife received an award from the City for her work in getting pickleball started in this town. Pickleball must remain at TTC. It's the fastest growing sport in America and TTC is the largest club on the West Coast. Save our club!

427	Sydney Rosen	Sydney	Rosen	sydlrosen@gmail.com	124 lessay	Newport Beach	California	92657		Sep 22, 2022
	This club has fostered more relationships with people in this town than I had my entire years growing up in Newport Beach. Pickleball has been an activity for kids and parents of all ages to collaborate and enjoy and has brought people back into my life from years and years ago in the best way possible. Getting rid of this club would do a massive disservice to not only its members but the community ad a whole

Subject: Save the Pickleball club - Vote No on O'Hills plan B

[EXTERNAL EMAIL] DO NOT CLICK links or attachments unless you recognize the sender and know the content is safe.

Dear City Council,

Please DO NOT approve Mr. O'Hill's hotel resort/tennis plan as currently proposed.

I am a Corona del Mar homeowner with family members who also own a home in the Port Streets. We've tried to play pickleball regularly at the Bonita Canyon Sports Park but courts are very difficult to secure. We've gotten there at the crack of dawn on cold foggy mornings in winter, only to find people playing on the courts prior to 7 am while others are waiting. Even a court reservation system will not solve the problem of too many Newport Beach pickleball players in a city unprepared for the explosion of the sport.

So we joined the TTC Pickleball Club to get constant and regular access to courts. We have been promised by 50% landowner Mr. O'Hill and operator Sean, that if the hotel/tennis resort is approved by you on Tuesday, it will actually become a hotel/pickleball resort. If that is not guaranteed, and I believe that it cannot be guaranteed based on Mr. O'Hill's plan B as submitted to you, then please do not approve O'Hill's plan B.

Brett and Ryan, the other 50% co-landowners, state they will keep and update the current pickleball club. That's exactly what we want. But that can only happen if you vote No on O'Hill's plan B.

Thank you,

The Williams family's of Harbor View and the Port Streets.
