**MEMORANDUM OF UNDERSTANDING  
BETWEEN  
THE CITY OF NEWPORT BEACH AND  
NEWPORT BEACH POLICE ASSOCIATION**

This MEMORANDUM OF UNDERSTANDING (hereinafter referred to as "MOU") is entered into with reference to the following:

**PREAMBLE**

1. The Newport Beach Police Association ("NBPA" or "Association"), a recognized employee organization, and the City of Newport Beach ("City"), a municipal corporation and charter city, have been meeting and conferring, in good faith, with respect to wages, hours, fringe benefits and other terms and conditions of employment.
2. This MOU, upon approval by NBPA and the Newport Beach City Council, represents the total and complete understanding and agreement between the parties regarding all matters set forth herein.

**SECTION 1. GENERAL PROVISIONS**

**A. RECOGNITION**

In accordance with the provisions of the Charter of the City of Newport Beach, the Meyers-Milias-Brown Act of the State of California and the provisions of the Employer-Employee Relations Resolution No. 2001-50, the City acknowledges that NBPA is the majority representative for the purpose of meeting and conferring regarding wages, hours and other terms and conditions of employment for all employees in those classifications specified in Exhibit "A" or as appropriately modified in accordance with the Employer-Employee Relations Resolution. All other classifications and positions not specifically included within Exhibit "A" are excluded from representation by NBPA.

**B. TERM**

1. Except as specifically provided otherwise, any ordinance, resolution or action of the City Council necessary to implement this MOU shall be considered effective as of *May 31, 2025*. This MOU shall remain in full force and effect through *June 30, 2028*, and the provisions of this MOU shall continue after the date of expiration of this MOU in the event the parties are meeting and conferring on a successor MOU.
2. The provisions of this MOU shall prevail over conflicting provisions of the Newport Beach City Charter, the ordinances, resolutions and policies of the City of Newport Beach, federal and state statutes, rules and regulations which either specifically provide that agreements such as this prevail, confer rights which may be waived by any collective bargaining agreement, or are, pursuant to decisional or statutory law, superseded by the provisions of an agreement similar to this MOU.

**C. RELEASE TIME**

1. NBPA members (as described in paragraph 2 below) shall be allowed to participate in the following activities during scheduled working hours without loss of pay ("Release Time"):
  - a. attendance at off-site meetings, conferences, seminars or workshops related to matters within the scope of representation. Employees must use the hours described in C2(a) below for these purposes;
  - b. to prepare for scheduled meetings between the City and NBPA during the meet and confer process.
    - i. to travel to and attend scheduled meetings between the City and NBPA during the meet and confer process.
    - ii. to travel to and attend scheduled grievance and disciplinary hearings.
    - iii. to meet, for up to one hour, with their representative prior to a hearing described in subsection C.1.c.ii above.
2. NBPA shall designate certain members as those members entitled to release time. Designates must give reasonable advance notice to, and obtain permission from, their supervisor prior to use of release time, or, prior to adjusting work hours. Requests for release time shall be granted by the supervisor unless there are specific circumstances that require the designate to remain on duty. Designates shall, to the maximum extent feasible, receive shift assignments compatible with participation in the meet and confer process.
  - a. The NBPA President shall be entitled to a maximum of 250 hours per calendar year for appropriate association related business, excluding time required for the meet and confer process. The NBPA President shall, at his/her discretion, allocate Release Time to NBPA Board members or other designates, to a maximum of 150 hours per year per individual. In the event the 250 hours for the President or 150 hours for other NBPA designates are insufficient, the President may submit a request to the Police Chief, with justification, that additional hours be granted. In no event shall the Association be granted more than a total of 500 hours per year for all designates.
  - b. Any NBPA negotiating team member may request and shall (subject to the approval process above) be granted flex work hours on any scheduled work day during which the negotiating team member is to attend a meet and confer session. Employees may flex start/finish time up to two (2) hours.
3. City grants NBPA members the right to engage in the activities described in subsection 1(c)(i) at any time without any reduction to City-provided Release Time or to any Release Time bank created pursuant to subsection C.5.
4. City Grants NBPA 500 hours of Release Time per calendar year to engage in the activities described in subsection C.1.a and 1.b. (City- provided Release Time.) NBPA may carry over up to 300 hours of City-provided Release Time into the ensuing calendar year.
5. In addition to City-provided Release Time and Release Time provided pursuant to subsection C.3, NBPA members may voluntarily contribute up to two hours of earned

compensatory time off ("CTO") to an NBPA Release Time Bank. Members may contribute earned CTO only during the period from July 1 through August 15 during any calendar year. However, members shall not have the right to contribute CTO to the NBPA Release Time bank if NBPA has accumulated more than 600 hours of total Release Time. Contributions may be made only in hourly increments. Contributions shall be on forms prepared by the City which shall then be submitted to the appropriate department employee. City shall advise NBPA as to the balance of hours in the Release Time Bank upon request. For purposes of this subparagraph only, the term "compensatory time off or CTO" includes accrued Flex leave.

6. There is no entitlement to release time for any matter not set forth above.

#### D. SCOPE

1. All present written rules and current established practices and employees' rights, privileges and benefits that are within the scope of representation shall remain in full force and effect during the term of this MOU unless specifically amended by the provisions of this MOU.
2. Pursuant to this MOU, the City reserves and retains all of its inherent exclusive and non-exclusive managerial rights, powers, functions and authorities ("Management Rights") as set forth in Resolution No. 2001-50. Management Rights include, but are not limited to, the following.
  - a. the determination of the purposes and functions of the Police Department;
  - b. the establishment of standards of service;
  - c. to assign work to employees as deemed appropriate;
  - d. the direction and supervision of its employees;
  - e. the discipline of employees;
  - f. the power to relieve employees from duty for lack of work or other legitimate reasons;
  - g. to maintain the efficiency of operations;
  - h. to determine the methods, means and personnel by which Police Department operations are to be conducted;
  - i. the right to take all necessary actions to fulfill the Department's responsibilities in the event of an emergency;
  - j. the exercise of complete control and discretion over the manner of organization, and the appropriate technology, best suited to the performance of departmental functions.

The practical consequences of a Management Rights decision on wages, hours, and other terms and conditions of employment shall be subject to the grievance procedures.

#### E. CONCLUSIVENESS

This MOU contains all of the covenants, stipulations, and provisions agreed upon by the parties. Therefore, for the term of this MOU, neither party shall be compelled, and each party expressly waives its rights to request the other to meet and confer concerning any issue relating primarily to matters within the scope of representation, except as expressly provided herein or by mutual agreement of the parties. No representative of either party has the authority to make, and none of the parties shall be bound by, any statement, representation or agreement which is not embodied in this MOU.

Subject to the paragraph above, this section shall not be construed to prevent the Newport Beach Police Department from giving notice to the Association and affording the Association the opportunity to meet and confer on the impact of policy changes or the exercise of management rights. However, the terms of this MOU may not be modified through the impact negotiations process; except by mutual agreement.

#### F. MODIFICATIONS

Any agreement, alteration, understanding, variation, or waiver or modification of any of the terms or provisions of this MOU shall not be binding upon the parties unless contained in a written document executed by authorized representatives of the parties.

#### G. BULLETIN BOARDS

Space shall be provided on bulletin boards within the Police Department at their present location for the posting of notices and bulletins relating to NBPA business, meetings, or events. All materials posted on bulletins boards by the NBPA shall indicate that the NBPA posted it. Material posted shall not contain personal attacks on any City official or employee, any material which constitutes harassment, discrimination or retaliation on the basis of any protected class under the law or other statutorily or constitutionally impermissible basis, or any pornographic or obscene material.

#### H. NO STRIKE

The parties recognize their mutual responsibility to provide the citizens of Newport Beach with uninterrupted municipal services and, therefore, the parties agree not to conduct concerted strike, work slowdown, sick out, withholding of services, or lockout activities.

#### I. SAVINGS

If any provision of this MOU shall be held invalid by any court of competent jurisdiction, or if compliance with or enforcement of any provision shall be restrained by court action, or other established governmental administrative tribunal, the remainder of this MOU shall not be affected, and the parties shall replace such invalidated provision with another of similar or equal value through the negotiations process.

#### J. IMPASSE

In the event of an impasse (the failure to agree on a new MOU after the express term of the existing MOU has expired), the parties may agree on mediation pursuant to the procedure outlined in Section 16 of Resolution No. 2001-50.

Employee will then be eligible for this pay on the first day of the next pay period *after submission to HR*.

Effective in the pay period including April 1, 2018, Full time non-sworn employees who are consistently and routinely assigned to the Police Communications or Police Records Divisions shall receive two percent (2.0%) of base salary (paid in each pay period) upon receipt of one or more of the following certifications: POST Public Safety Dispatcher Advanced, POST Public Safety Dispatcher Supervisory or POST Records Supervisor. Unit members who possess more

than one of these certifications shall only be paid for one of them. As such, the maximum an employee can be paid under this section is two percent (2%).

When an employee receives one of these certificates for the first time after the first day of the pay period following City Council approval of this MOU, he/she shall provide the City with a copy of the certificate and will then be eligible for this pay on the first day of the pay period following the provision of the certificate by the employee to the Human Resources Department.

The parties agree that to the extent permitted by law, the assignment pay in this section is special compensation and shall be reported to CalPERS as such pursuant to Title 2 CCR, Section 571 *Educational Incentive*.

#### E. LONGEVITY PAY FOR FULL TIME NON-SWORN EMPLOYEES

20-24 years of City of Newport Beach Service	1.5%
25-29 years of City of Newport Beach Service	2.0%
30 years or more of City of Newport Beach Service	2.5%

The years of service provisions in this section are for years of full-time service. Part-time service does not count toward the years of service provisions.

The parties agree that to the extent permitted by law, the longevity pay in this section is special compensation and shall be reported to CalPERS as such pursuant to Title 2 CCR, Section 571(a)(1) Longevity Pay.

#### F. MEAL PERIOD/CODE SEVEN TIME

Employees in the Unit receive a paid meal period (aka "Code Seven" time). By being paid for a meal period, each employee in the unit must be available to respond to any work-related request, emergency or call for service during his/her meal period.

#### G. OVERTIME

1. Employees shall be entitled to overtime compensation at the rate of time and one half the regular rate of pay for hours worked in excess of their regularly scheduled shift. Paid time off shall be considered time worked for overtime calculation purposes.

2. The rate at which MOU overtime (overtime described above that is not mandated by the FLSA) does not include any contributions to the City's Cafeteria Plan as set forth in Section 4 - Fringe Benefits of the MOU.

Employees in the unit must affirmatively account for their time by specifically accounting for each days' work with the specific number of hours worked, including the use of appropriate payroll codes for leave, overtime and other purposes.

3. Overtime compensation shall be in the form of compensatory time off or pay at the election of the employee. Maximum compensatory time accrual shall be 120 hours. All overtime worked *by* employees at the CTO maximum *threshold* shall be paid as wages.
  - a. If the IRS or a court of competent jurisdiction provides guidance concerning recognition of constructive receipt based on the earning of CTO, this MOU will reopen on the issue of CTO and the parties will meet and confer over elimination of constructive receipt. The parties understand that, if the IRS determines there is additional tax liability, that liability will be the responsibility of the individual taxpayers (employees).
  - b. Effective the first full pay period following City Council adoption in FY 2021-22, CTO will be maintained in two banks (one for FLSA Overtime and one for MOU Overtime). When paid out, CTO earned on MOU overtime will be paid out at the MOU overtime rate and CTO earned on FLSA overtime will be paid out at the regular rate.
4. An employee wishing to use his/her accrued compensatory time off shall provide the City with reasonable notice. Reasonable notice is defined as at least two (2) weeks. If reasonable notice is provided, the employee's request may not be denied unless it is unduly disruptive to the department to grant the request. A request to use compensatory time off without reasonable notice may still be granted within the discretion of the supervisor or manager responsible for considering the request.
5. The Police Department has the discretion to schedule any of its employees to work a regular workday on July 4th, regardless of the day of the week or job assignment. This may include modifying work schedules and/or days off according to deployment needs. Unit employees who actually work July 4th will be compensated at their regular hourly rate, plus premium pay equal to 1/2 of the hours actually worked on that day. Employees will be provided their regular number of days off for the month of July (unless otherwise scheduled on an overtime basis), which will be selected/assigned according to the normal practices of their particular work unit. Should the employees work an additional shift in subsequent leap years, compensation shall be paid at the appropriate rate of overtime pay.
6. The City and NBPA jointly petitioned the NLRB and were granted a 7(b) exemption of the Fair Labor Standards Act to allow for use of the overtime standards as set forth in this section. The exemption allows continued use of the Department's alternative/semi-flexible schedule. The 7(b) exemption applies to those classifications in the unit who do not qualify under Section 7(k) of the FLSA.
7. The Section 7(k) partial overtime exemption: Effective upon City Council approval of this MOU, all employees in the unit engaged in law enforcement activities - Police Officer, Police Recruit and Custody Officer are subject to the 28-day FLSA work period provided

for pursuant to Section 7(k) of the Fair Labor Standards Act.

#### H. OVERTIME COMPENSATION - COURT

1. Compensation - Employees shall receive either compensatory time (subject to the maximum accrual of 120 hours addressed in subsection G above) or paid time at their discretion.
2. On-Call - Off-duty employees on call for court who have not been cancelled prior to the scheduled standby time shall, whether extended or not, be compensated at a rate equal to the actual standby time, with a minimum of one (1) hour paid at time and one-half the employee's MOU overtime rate of pay.
3. Appearance - Off-duty employees who are required to appear in court shall be compensated for the actual time involved with a minimum of four (4) hours paid at time and one-half the employee's regular rate of pay. This minimum four (4) hour payment assumes that the time the employee who is required to appear in court is outside his/her regular work hours. If the time the employee is in court overlaps any part of the employee's regular work hours, the employee will receive his/her regular pay plus any additional overtime compensation (at time and one half) for hours which fell outside regular work hours. Employees appearing in court after being on call the same day shall be compensated from the time listed on the subpoena until released by the court.

Compensation for hours worked begins when the employee starts driving to court. However, when the employee is called on the same day and directed to leave the work location to travel to court, compensation for hours worked begins when the employee receives the call. Compensation for hours worked ends when the employee has completed the time in court.

4. Cancellation - Off-duty employees whose court appearance is cancelled with less than 12 hours' notice shall receive a payment for one hour at the employee's MOU Overtime rate of pay.

#### I. EDUCATION RETENTION INCENTIVE PROGRAM – NON-SWORN

The City has instituted the Education Retention Incentive Program to incentivize non-sworn employees to pursue furthering their education. Employees shall be eligible for education payment beyond the minimum qualifications of their current position as follows:

1. For Members hired as a full-time, non-sworn employee in the Bargaining Unit prior to June 26, 2018:

In addition to the amounts listed below, the City shall contribute the minimum CalPERS participating employer's contribution towards medical insurance. Unit members whose actual start date occurs prior to *January 1, 2022*, and who elect to opt out of medical coverage offered by the City because they have proof of minimum essential coverage ("MEC" through another source (other than coverage in the individual market, whether or not obtained through Covered California) will receive \$1,000.00 per month in taxable cash paid bi-weekly. For these same employees, if they elect medical coverage and spend less than *\$1,624.00 monthly (plus the minimum CalPERS participating employer's contribution)*, the difference shall be paid to the employee as taxable cash biweekly.

Newly appointed unit members whose actual start date occurs on or after the first day of the pay period following City Council approval of this MOU in FY 2021-22 and who elect to opt out of medical coverage offered by the City because they have provided proof of MEC through another source (other than coverage in the individual market, whether or not obtained through Covered California) shall receive \$500.00 per month in taxable cash. For these same employees, if they elect medical coverage and spend less than the City contribution provided above, there shall be no cash back provided. This paragraph shall not apply to an employee who received a conditional offer letter prior to adoption of this MOU which referenced the pre-existing "opt out" and cafeteria cash provisions.

The preceding language as applied to the following scenarios:

1. Part-time employee hired by the City prior to MOU adoption but not appointed as a full-time employee into the NBPA until on or after MOU adoption - this employee is subject to the \$500 opt-out amount and does not receive cash back if the medical coverage elected is less than the City contribution.
2. Full-time employee hired by the City prior to MOU adoption who later drops down to part-time and then is reappointed to the unit as a full-time employee - this employee is subject to the \$500 opt-out amount and does not receive cash back if the medical coverage elected is less than the City contribution.
3. Full-time employee hired by the City prior to MOU adoption who later transfers into the unit from another unit- if the employee was not subject to the \$500 opt-out amount and/or no cash back in the unit from which they are transferring, they will receive the benefit of \$1,000 opt-out and/or cash back if the medical coverage elected is less than the City contribution.

Maximum Benefit	\$1,846 weekly	\$15,000 monthly
Waiting Period	30 calendar days	180 calendar days

Employees shall pay one percent (1%) of base salary as a pre-tax deduction for this benefit. Effective the first premium payment following the City Council adoption of the MOU in Fiscal Year 2021- 22, the City will no longer require unit members to pay one percent (1%) of base salary for this benefit and this Paragraph shall be deleted.

Employees shall not be required to exhaust accrued paid leaves prior to receiving benefits under the disability insurance program. Employees may not supplement the disability benefit with paid leave once the waiting period has been exhausted.

If in future fiscal years member contribution rate for employees in Tier III shall become greater or less, as determined by PERS valuation, the additional contribution made by the employee under 20516(f) will be increased or decreased accordingly so that the total employee contribution equals 13.6% of pensionable compensation. Provided, however, that the employee contribution shall never fall below the statutory required contribution.

## b. Non Safety

## Tier I:

Tier I employees shall contribute eight percent (8%) of compensation earnable for the CalPERS member contribution, plus an additional 2% of compensation earnable as cost sharing pursuant to Government Code section §20516(f), for a total contribution of 10.0% of compensation earnable.

## Tier II:

Tier II employees shall contribute the statutory PERS Member Contribution equal to 7.0% of compensation earnable, plus an additional 3.0% of compensation earnable toward retirement costs under Government Code § 20516(f), for a total contribution of 10% of compensation earnable.

## Tier III:

The minimum statutory employee contribution for employees in Tier III, subject to the provisions of the Public Employees' Pension Reform Act (PEPRA), equals 50% of the "total normal cost", and is calculated annually for possible adjustments as provided in the CalPERS valuations.

In addition to the statutorily required 50% contribution of total normal costs, Tier III employees shall contribute an additional amount of pensionable compensation toward retirement pursuant to Government Code § 20516(f), so that their *contribution* equals a total of 8.0% of pensionable compensation. If in future fiscal years the member contribution rate for employees in Tier III shall become greater or less, as determined by PERS valuation, the additional contribution made by the employee under 20516(f) will be increased or decreased accordingly so that the total employee contribution equals 8.0% of pensionable compensation. Provided, however, that the employee contribution shall never fall below the statutory required contribution.

## 3. The City's contract with PERS shall also provide for:

- a. The military buy-back provisions pursuant to Section 20930.3 of the California Government Code and the highest year benefit pursuant to Section 20042.

- b. The Level 4 1959 Survivors Benefits.
- c. The PERS pre-retirement option settlement 2 death benefit (Section 21548) for miscellaneous and safety members.

## E. RETIREE MEDICAL BENEFIT

### 1. Background

In 2005, the City and all Employee Associations agreed to replace the previous "defined benefit" retiree medical program with a new "defined contribution" program. The process of fully converting to the new program will be ongoing for an extended period. During the transition, employees and (then) existing retirees have been administratively classified into one of four categories. The benefit is structured differently for each of the categories. The categories are as follows:

- a. Category 1 - Employees newly hired after January 1, 2005.
- b. Category 2 - Active employees hired prior to January 1, 2005, whose age plus years of service as of January 1, 2005 was less than 50 (46 for public safety employees).
- c. Category 3 - Active employees hired prior to January 1, 2005, whose age plus years of service was 50 or greater (46 for public safety employees) as of January 1, 2005.
- d. Category 4 - Employees who had already retired from the City prior to January 1, 2005, and were participating in the previous retiree medical program.

### 2. Program Structure

This is an Integral Part Trust (IPT) Retirement Health Savings Plan (RHS).

- a. For employees in Category 1, the program is structured as follows:

Each employee will have an individual RHS account for bookkeeping purposes, called his or her "Employee Account." This account will accumulate contributions to be used for health care expense after separation. All contributions to the plan are either mandatory employee contributions or City paid employer contributions, so they are not taxable to employees at the time of deposit. Earnings from investment of funds in the account are not taxable when posted to the account. Benefit payments are not taxable when withdrawn, because the plan requires that all distributions be spent for specified health care purposes.

Contributions will be in three parts.

Part A contributions (mandatory employee contributions): 1% of Salary.

Part B contributions (employer contributions): \$2.50 per month for each year of service plus year of age (updated every January 1st based on status as of December 31st of the prior year)

Part C contributions (leave settlement as determined by association):

The Association will determine the level of contribution for all employees it represents, subject to the following constraints. All employees within the Association must participate at the same level, except that safety members and non-safety members within an Association may have different levels. The participation level should be specified as a percentage of the leave balance on hand in each employee's leave bank at the time of separation from the City.

For example, if the Association wishes to specify 50% of the leave balance as the participation level, then each member leaving the City, or cashing out leave at any other time, would have the cash equivalent of 50% of the amount that is cashed out added to the RHS, on a pre-tax basis. The remaining 50% would be paid in cash as taxable income. Individual employees would not have the option to deviate from this breakout.

The Association has decided to participate in Part C contributions at the level of zero percent (0%) for Flex/Vacation Leave and zero percent (0%) for Sick Leave. This amount may be changed, on a go forward basis, as part of a future meet and confer process. However, the participation level must be the same for all employees within the Association except that safety members and non-safety members within an Association may have different levels. Additionally, the purpose and focus of these changes should be toward long-term, trend type adjustments. Due to IRS restrictions regarding "constructive receipt," the City will impose restrictions against frequent spikes or drops that appear to be tailored toward satisfying the desires of a group of imminent retirees.

Spillover pay is not eligible for Part C contributions.

Nothing in this section restricts taking leave for time off purposes.

Sick leave balances may also be included in the RHS Part C contributions, but only to the extent and within all the numeric parameters specified in the Employee Policy Manual. Section 11.21 of the Manual contains a schedule which specifies the amount of sick leave that can be "cashed out," based on time of service. The manual also caps the number of hours that can be "cashed out" at 800 and specifies that sick leave hours are "cashed out" on a 2 for 1 basis (800 hours of sick leave are converted to 400 hours for cash purposes). Sick leave participation is a separate item from vacation/flex leave participation, and thresholds must be separately identified by the Association.

Part A contributions may be included in PERS compensation. Part B and Part C contributions will not be included in PERS compensation.

Part A contributions begin upon enrollment in the program and are credited to each RHS Employee Account each pay period. Eligibility for Part B contributions is set at five years of vested City employment. At that time, the City will credit the first five years' worth of Part B contributions into the Employee Account (interest does not accrue during that period). Thereafter, contributions are made bi-weekly. Part C deposits, if any, will be made at the time of employment separation.

Each Employee has a right to reimbursement of medical expenses (as defined below) from the Plan until the Employee Account balance is zero. This right is triggered upon separation. If an employee leaves the City prior to five years' employment, only the

Part A contributions and Part C leave settlement contributions, if any, will be in the RHS Employee Account. Such an employee will not be entitled to any Part B contributions. The exception to this is a full-time employee, participating in the program, who leaves the City due to industrial disability during the first five years of employment. In such cases, the employee will receive exactly five years' worth of Part B contributions, using the employee's age and compensation at the time of separation for calculation purposes. This amount will be deposited into the employee's RHS account at the time of separation.

Distributions from RHS Employee Accounts are restricted to use for health insurance and medical care expenses after separation, as defined by the Internal Revenue Code Section 213(d) (as explained in IRS Publication 502), and specified in the Plan Document. In accordance with current IRS regulations and practices, this generally includes premiums for medical insurance, dental insurance, vision insurance, supplemental medical insurance, long term care insurance, and miscellaneous medical expenses not covered by insurance for the employee and his or her spouse and legal dependents - again only as permitted by IRS Publication 502. Qualification for dependency status will be determined by guidelines in IRC 152. If used for these purposes, distributions from the RHS accounts will not be taxable. Cash withdrawal for any other purpose is prohibited. Under recent IRS Revenue Ruling 2005-24, any balance remaining in the Employee Account after the death of the employee and his or her spouse and/or other authorized dependents (if any) must be forfeited. That particular RHS Employee Account will be closed, and any remaining funds will become general assets of the plan.

The parties agree that the City's Part B contributions during active employment constitute the minimum CalPERS participating employer's contribution towards medical insurance after retirement. The parties also agree that, for retirees selecting a CalPERS medical plan, or any other plan with a similar employer contribution requirement, the required City contribution will be withdrawn from the retiree's RHS account.

- b. For employees in Category 2, the program is the same as for those in Category 1, with the following exception:

In addition to the new plan contributions listed above, current employees who fully convert to the new plan will also receive a one-time City contribution to their individual RHS accounts that equates to \$100 per month for every month they contributed to the previous "defined benefit" plan, to a maximum of 15 years (180 months). This contribution will be made only if the employee retires from the City and at the time of retirement. No interest will be earned in the interim.

Employees in Category 2 who had less than five years' service with the City prior to implementation of the new program will only receive Part B contributions back to January 1, 2006 when they reach five years' total service.

- c. For employees in Category 3, the program is the same as for those in Category 2, with the following exception:

For employees in this category, the City will make no Part B contributions while the employees are still in the active work force. Instead, the City will contribute \$400 per month into each of their RHS accounts after they retire from the City, to continue as

long as the employee or spouse is still living.

Each employee will contribute a flat \$100 per month to the plan for the duration of their employment to partially offset part of this expense to the City. The maximum benefit provided by the City after retirement is \$4,800.00 per year, accruing at the rate of \$400.00 per month. There is no cash out option for these funds, and they may not be spent in advance of receipt.

Employees in this category will also receive an additional one-time City contribution of \$75 per month for every month they contributed to the previous plan prior to January 1, 2006, up to a maximum of 15 years (180 months). This contribution will be made to the RHS account at the time of retirement, and only if the employee retires from the City. No interest will be earned in the interim.

- d. For employees (retirees) in Category 4, the structure is very similar to the previous retiree medical program, except that there is no cost share requirement, and the \$400 City contribution after retirement can be used for any IRS authorized purpose, not just City insurance premiums.

Effective July 1, 2006, an RHS account has been opened for each retiree in this category, and the City will contribute \$400 per month to each account as long as the retiree or spouse remains living.

For existing NBPA retirees in this category, the \$400 was increased to \$450 effective July 1, 2006. The NBPA and Police Management Association have agreed to reimburse the City for half of the cost of this increase, on an ongoing basis. To that end, the City will invoice NBPA at the end of each quarter for half the actual cost of this increase during the previous three months.

### 3. Administration

Vendors have been selected by the City to administer the program. The contract expense for program-wide administration by the vendor will be paid by the City. However, specific vendor charges for individual account transactions that vary according to the investment actions taken by each employee, such as fees or commissions for trades, will be paid by each employee.

The City's Deferred Compensation Committee, or its successor committee, will have the authority to determine investment options that will be available through the plan.

#### F. CITY CONTRIBUTION TO PORAC RETIREE MEDICAL TRUST (RMT)

The City shall contribute \$100.00 per month, per unit member to the PORAC Retiree Medical Trust. At no time shall the City be liable for administering the PORAC RMT, paying fees towards it, remedying or covering any losses by it, or assuming any of the PORAC RMT's liabilities or legal obligations. In the event the City is required to pay or withhold payroll taxes on employee contributions, the parties shall immediately meet and confer in good faith to attempt to implement equitable adjustments to the contributions referenced herein. In the event the PORAC RMT ceases to operate, the Association shall designate an alternate retiree medical vehicle to which the City contribution shall be made, with said contribution being conditioned upon there being no additional cost or administrative burdens associated therewith.

#### G. DEFERRED COMPENSATION

Each employee shall have a deferred compensation account set up by the City and subject to the rules of IRS Code section 457 to which s/he may make contributions. The City shall contribute to each employee's deferred compensation account each pay period as follows:

The City shall contribute a total of two percent (2%) of base salary to each employee's deferred compensation account.

Under federal law, there is an annual maximum contribution which may be made to an employee's deferred compensation account. Although the City will be making contributions to employees' accounts each pay period, it is the employees' responsibility to track their total contribution amount. If an employee's account contributions reach the annual maximum, the City will stop making contributions for the remainder of the calendar year and will not owe the employee any additional compensation related to this section.

#### H. TUITION REIMBURSEMENT

NBPA members attending accredited community colleges, colleges, trade schools or universities may apply for reimbursement of one hundred percent (100%) of the actual cost of tuition, books, fees or other student expenses for approved job-related courses. The maximum tuition reimbursement for all employees in the unit shall be \$1,400 per fiscal year.

#### I. PHYSICAL CONDITIONING EQUIPMENT

City has acquired fitness equipment for use by members in maintaining physical fitness. City shall budget \$5,000.00 per each calendar year for the maintenance, repair, improvement, or replacement of fitness equipment. Any purchase of new equipment shall be subject to the concurrence of the Department. All exercise facilities and equipment will be available to all members of the department.

#### J. PHYSICAL FITNESS QUALIFIER

The Physical Fitness Qualifier (PFQ) is offered to police officers twice annually. Fitness benchmarks have been established and are outlined in Exhibit "C." Officers who rank 1st Class, 2nd Class or 3rd Class as set forth in Exhibit "C" are awarded leave time depending upon achieved rank. Within two weeks of PFQ completion, the department will create a personnel action form indicating the rank and number of leave time hours awarded for each sworn police officer. The awarded hours will be placed in the police officer's individual Comp Time bank (at the straight time rate), which is subject to a 120-hour maximum balance. If the employee later chooses to have the leave time "paid out," payment will be at the employee's MOU overtime rate.

#### K. POLICE MECHANIC TOOL STIPEND

*Effective May 31, 2025, the City will provide a lump sum of \$500 per year to reimburse Police Mechanics for purchasing their own tools.*

### SECTION 5. MISCELLANEOUS PROVISIONS

#### A. REDUCTIONS IN FORCE/LAYOFFS

The provisions of this section shall apply when the City Manager determines that a reduction in the work force is warranted because of actual or anticipated reductions in revenue, reorganization

of the work force, a reduction in municipal services, a reduction in the demand for service or other reasons unrelated to the performance of duties by any specific employee. Reductions in force are to be accomplished, to the extent feasible, on the basis of seniority within a particular Classification or Series and this Section should be interpreted accordingly.

## 1. Definitions

- a. "Layoffs" or "Laid off" shall mean the non-disciplinary termination of employment.
- b. "Seniority" shall mean the time an employee has worked in a Classification or Series calculated from the date on which the employee was first granted permanent status in their current Classification or any Classification within the Series, subject to the following:
  - i. Credit shall be given only for continuous service subsequent to the most recent appointment to permanent status in the Classification or Series;
  - ii. Seniority shall include time spent on industrial leave, military leave and leave of absence with pay, but shall not include time spent on any other authorized or unauthorized leave of absence.
- c. "Classification" shall mean one or more full time positions identical or similar in duties and embraced by a single job title authorized in the City budget and shall not include part-time, seasonal or temporary positions. Classifications within a Series shall be ranked according to pay (lowest ranking, lowest pay).
- d. "Series" shall mean two or more Classifications within a Department which require the performance of similar duties with the higher ranking Classification(s) characterized by the need for less supervision by superiors, more difficult assignments, more supervisory responsibilities for subordinates. The City Manager shall determine those Classifications which constitute a Series.
- e. "Bumping Rights", "Bumping" or "bump" shall mean the right of an employee, based upon seniority within a series, to displace a less senior employee in a lower Classification within the Series. No employee shall have the right to Bump into a Classification for which the employee does not possess the minimum qualifications such as specialized education, training or experience.

## 2. Procedures

In the event the City Manager determines to reduce the number of employees within a Classification, the following procedures are applicable:

- a. Temporary and probationary employees within any Classification shall, in that order, be laid off before permanent employees.
- b. Employees within a Classification shall be laid off in inverse order of seniority;
- c. An employee subject to layoff in one Classification shall have the right to Bump a less senior employee in a lower ranking Classification within a Series. An employee who has Bumping Rights shall notify the Department Director within three (3) working days

after notice of layoff of his/her intention to exercise Bumping Rights.

- d. In the event two or more employees in the same Classification are subject to layoff and have the same seniority, the employees shall be laid off in inverse order of their position on the eligibility list or lists from which they were appointed. In the event at least one of the employees was not appointed from an eligibility list, the Department Director shall determine the employee(s) to be laid off.

### 3. Notice

Employees subject to layoff shall be given at least thirty (30) days advance notice of the layoff or thirty (30) days' pay in lieu of notice. In addition, employees laid off will be paid for all accumulated paid leave, holiday leave(if any), and accumulated sick leave to the extent permitted by the Employee Policy Manual.

### 4. Re-Employment

Permanent and probationary employees who are laid off shall be placed on a Department re-employment list in reverse order of layoff. The laid off former employee shall remain on the re-employment list for not to exceed two (2) years from the date of layoff. In the event a vacant position occurs in the Classification which the employee occupied at the time of layoff, or a lower ranking Classification within a Series, the employee at the top of the Department re-employment list shall have the right to appointment to the position, provided, he or she reports to work within seven (7) days of written notice of appointment. Notice shall be deemed given when personally delivered to the employee or deposited in the U.S. Mail, certified, return receipt requested, and addressed to the employee at his or her last known address. Any employee shall have the right to refuse to be placed on the re-employment list or the right to remove his or her name from the re-employment list by sending written confirmation to the Human Resources Director.

### 5. Severance Pay

Permanent employees who are laid off shall, as of the date of layoff, receive one-week severance pay for each year of continuous service with the City of Newport Beach, but in no case to exceed ten (10) weeks of severance compensation.

## B. WORK SCHEDULES

Nothing contained herein is intended to abridge management's right to schedule work to meet the Police Department's needs of providing services in an efficient and safe manner. Management recognizes its obligations to meet and confer before making any substantive changes to work schedules that impact an employee's conditions of employment.

### 1. Substantive Work Schedule Modifications

Newport Beach Police Department currently has available a variety of work schedules including 5/8, 3/12, 9/80, 4/10 and the 3/11.42 - 4/11.42 schedule. Except in the case of emergency, prior to moving any employee or group of employees from one work schedule to another (for example from a 9/80 to a 3/12 schedule), the Department shall notify, and upon request, meet and confer with the Association in advance of any schedule change. If an emergency prohibits meeting and conferring prior to the schedule change, the Department shall meet and confer with the Association as soon as is reasonably possible after the

schedule change.

## 2. Non-Substantive Schedule Modifications

In the event of any non-substantive change to an employee's work schedule (changes in starting times, days off, etc.), Management agrees to give as much advance notice of said change as possible and to give reasonable regard to the needs of the employees to make adjustments to their personal schedules and commitments related to the change in work schedules.

## 3. Transfers

Transferring an employee to an assignment with a different work schedule shall not be considered a change to modified work schedules and shall not obligate Management to meet and confer over said change.

# C. SENIORITY

## 1. Definition and Policy

In order to clarify "seniority" practices, the parties agree to the following definition and policy for "seniority" determinations. "Seniority" position among members belonging to the same classification and determined prior to the date of this Agreement shall not change, regardless of the method of determination.

- a. Unless otherwise specified, for purposes of employment practices and vacation selection in which "seniority" is a consideration, "seniority" is defined and determined as the period of time of continuous full time employment within a classification.
- b. Determination of seniority date upon promotion or demotion of full time employees:
  - i. An employee promoted into any higher classification shall obtain their seniority date based upon their date of promotion, relative to others in the classification into which the employee promotes.
  - ii. An employee who voluntarily or involuntarily demotes into any lower classification shall retain the oldest seniority date from any prior full time classification from which they promoted or to which they are re-classified.
- c. Part time employees have no seniority rights, and any full time employee who resigns their full time position and accepts a part time appointment shall forfeit any seniority, even upon re-appointment to a full time position.
- d. Nothing in this definition is intended to affect any other employment right or consideration that may be based upon total years of service, initial appointment date, or any other date of hire or change in employment status.
- e. In the event there is a conflict between members of a classification hired on the same day, seniority position shall be determined by order of hire based upon issuance of Employee ID numbers.
- f. For the class of Police Officer, seniority is determined based upon the date of

appointment as a Police Officer, not date of hire as a Police Recruit.

2. Nothing contained herein is intended to abridge management's right to schedule employees to work or deny leave requests that management feels will interfere with the efficient running of the Police Department or present a safety hazard to employees or the community.

The Department shall continue its practice of allowing employees to sign up for vacations, shifts and days off by seniority. The Department shall have the right to deviate from seniority in shift preference selection as necessary to meet training needs, train probationers, separate employees, meet specialized qualification needs, and/or to correct experience imbalances in accordance with existing practice. In the event Management wishes to propose substantive changes to the existing practice of sign-up for vacations, shifts and days off by seniority, it shall give notice to the Association and meet and confer to seek mutually agreeable solutions and/or remedies. In the event that a mutually agreeable solution or remedy is not found, Management may deviate from the prior seniority criteria to the extent necessary to meet operational or safety needs.

#### D. GRIEVANCE PROCEDURE

1. Definition

The term "grievance" means a dispute between NBPA or any member and the City regarding the interpretation or application of rules or regulations governing the terms and conditions of employment, any provision of the Employee Policy Manual, any provision of Resolution No. 2001-50, or this MOU.

2. Guidelines

Any NBPA member may file a grievance without fear of retaliation or any adverse impact on any term or condition of employment.

- a. A grievance shall not be filed to establish new rules or regulations, change prevailing ordinances or resolutions, nor circumvent existing avenues of relief where appeal procedures have been prescribed.
- b. An employee may be self-represented or represented by one other person.
- c. An employee and any representative shall be given notice of the time and place of any grievance proceeding, the opportunity to be present at such proceedings, a copy of any written decision or communication to the employee concerning the proceedings, and any document directly relevant to the proceedings.
- d. All parties shall engage in good faith efforts to promptly resolve the grievance in an amicable manner. The time limit specified may be extended upon mutual agreement expressed in writing.
- e. The procedures in this MOU represent the sole and exclusive method of resolving grievances.

3. Procedure for NBPA Members

Step 1 - The employee shall orally present the grievance to his or immediate supervisor within fifteen (15) calendar days after the member knew, or in the exercise of reasonable diligence should have known, the act or events upon which the grievance is based. The immediate supervisor shall conduct any appropriate investigation and meet with the employee no more than fifteen (15) calendar days after presentation of the grievance. The employee shall be given at least 24 hours' notice of the meeting. The meeting shall be informal, and the employee may have a representative present. Any employee not satisfied with the decision of his or her immediate supervisor may proceed to Step 2.

Step 2 - If an employee is dissatisfied with the decision of his or her immediate supervisor, the employee may proceed to Step 2 by submitting a written grievance to the supervising Deputy Chief or Civilian Deputy Director. Any employee dissatisfied with the decision of his or her immediate supervisor may submit a written grievance to the supervising Deputy Chief or Civilian Deputy Director. The written grievance shall be filed within seven (7) calendar days following receipt of the immediate supervisor's decision. The written grievance must contain a complete statement of the matters at issue, the facts upon which the grievance is based, and the remedy requested by the employee. The supervising Deputy Chief or Civilian Deputy Director shall meet with the employee and any representative in an effort to resolve the grievance. The meeting shall be scheduled no more than fifteen (15) calendar days following receipt of the appeal unless deferred by the consent of both parties. The Deputy Chief or Civilian Deputy Director shall provide the employee with a written decision on the appeal within fifteen (15) calendar days after the meeting.

Step 3 - Appeal to Chief of Police.

Any employee dissatisfied with the decision of the supervising Deputy Chief or Civilian Deputy Director may proceed to Step 3 by submitting a written appeal to the Chief of Police. The written appeal must be filed with the Chief of Police within seven (7) calendar days following receipt of the supervising Deputy Chief or Civilian Deputy Director's decision. The written appeal must contain a complete statement of the matters at issue, the facts upon which a grievance is based, and the remedy requested by the employee. The Chief of Police shall meet with the employee and any representative in an effort to resolve the grievance. The meeting shall be informal and the discussion should focus on the issues raised by the grievance. The meeting shall be scheduled no more than fifteen (15) calendar days following receipt of the appeal unless deferred by the consent of both parties. The Chief of Police shall provide the employee with a written decision on the appeal within fifteen (15) calendar days after the meeting.

Step 4 - Appeal to City Manager. In the event the employee is dissatisfied with the decision of the Chief of Police, the employee may proceed to Step 4 by submitting a written appeal of the decision to the City Manager. The written appeal must be filed within seven (7) calendar days following receipt of the Police Chiefs decision. The written appeal shall contain a complete statement of the matters at issue, the facts upon which the grievance is based, the decisions of the supervising Deputy Chief or Civilian Deputy Director and Chief of Police, and the remedy requested by the employee. The City Manager shall meet with the employee and his or her representative in an effort to resolve the grievance and to receive any additional information the employee or department may have relative to the matter. The meeting shall be scheduled no more than fifteen (15) calendar days following receipt of the appeal unless deferred by the consent of both parties. The City Manager shall provide the employee with a written decision within fifteen (15) calendar days after the meeting. The decision of the City Manager shall be final.

#### 4. Association Grievance

A grievance affecting more than one NBPA member may be filed by NBPA on behalf of the affected employees with the Chief of Police. The Association must present the grievance to the Chief of Police within thirty (30) calendar days after an Association Board member knew, or in the exercise of reasonable diligence should have known, the act or events upon which the grievance is based. This provision is the sole and exclusive method by which the Association may challenge a provision of this MOU. The grievance shall contain a complete statement of the matters at issue, the facts upon which the grievance is based, and the remedy requested by NBPA. The Chief of Police shall meet with NBPA representatives within fifteen (15) calendar days following receipt of the grievance and provide a written decision on the grievance within fifteen (15) calendar days after the meeting. In the event NBPA is dissatisfied with the decision of the Chief of Police, it may appeal to the City Manager by following the procedures outlined in Step 4 of the procedure applicable to individual employees.

In the event NBPA is dissatisfied with the decision of the City Manager, it may appeal the decision to the Civil Service Board by filing a written notice of appeal within fifteen (15) calendar days after receipt of the decision.

#### E. PRE-HEARING BRIEFS

Each party is entitled to the other party's pre-hearing brief, if any.

#### F. USE OF TOBACCO PRODUCTS

All employees hired after January 1, 1999, shall not smoke or use any tobacco products at any time while on, or off duty. Employees shall be required to sign an agreement consistent with this section. Violation of this agreement will subject the employee to disciplinary action. Smoking an occasional celebration cigar (birth of a child, etc.) shall not be considered a violation of this policy.

#### G. DIRECT DEPOSIT

All Unit employees shall participate in the City's Direct Deposit Program.

#### H. CONTRACT NEGOTIATIONS

The parties agree that, if either side requests to meet and confer in good faith for a successor MOU within 120 days of the expiration of the MOU, the parties agree to begin the negotiations with the mutual objective of reaching an agreement prior to the expiration of the term of the MOU.

#### I. RECOUPMENT OF OVERPAYMENTS

Employees will be notified by Payroll or Human Resources prior to the recovery of overpayments on paychecks. Recovery of more than 15% of net pay will be subject to a repayment schedule established by the appointing authority under guidelines issued by the Finance Department or Human Resources. Such recovery shall not exceed 15% per month of disposable earnings, as defined by State law, except a mutually agreed upon accelerated payment plan for faster recovery.

Recoupments under this section shall be limited to forty-eight (48) months. However, nothing in this section is intended to preclude the City from seeking recoupment of overpayments due to

fraud or other knowing concealment through any available legal forum.

#### J. FUNERAL EXPENSES

Consistent with California Labor Code Section 4701, if an employee covered by the MOU is killed in the line of duty, the City will reimburse the employee's designated beneficiary up to \$10,000 to offset reasonable burial expenses.
