5.95.005 Purpose and Findings.

The City Council of the City of Newport Beach finds and declares as follows:

- A. An ever-increasing number of tourists renting short term lodging units is increasing the demand for City services and creating adverse impacts in residential zones.
- B. Over a thousand dwelling units within residential zones near the City's beaches and harbor are rented for less than thirty (30) consecutive calendar days with the vast majority of those rentals occurring during the summer when the demand for parking and City services is the greatest.
- C. Many of the occupants of short term lodging units are permanent residents of areas distant from Newport Beach and the City has no effective way to prevent occupants from continuing to violate provisions of this Code and the Penal Code relating to noise, disturbances and disorderly conduct. The only effective way to minimize the problems associated with occupancy of short term lodging units is to impose responsibility on the owner of the property, either personally or through an agent, to control the conduct of guests and occupants.

D. Numerous incidents involving excessive noise, disorderly conduct, vandalism, overcrowding, traffic congestion, illegal vehicle parking and accumulation of refuse are directly related to short term lodging units, which increasingly require response from police, fire, paramedic and other City services.

E. The increase in demand for City services resulting from short term lodging units overburdens, and threatens the City's ability to provide necessary services.

F. Many short term lodging units are operated by agents and/or absentee owners who exercise little or no supervision or control of occupants.

G. There has been an increase in the number of lodging units booked on a short term basis where the owner of the unit does not have a short term lodging permit, affecting the ability of the City to properly regulate the impacts caused by the illegal operation.

H. There has been an increase in the number of lodging units booked on a short term basis where the owner of the property has not taken steps to ensure the transient occupancy tax and visitor service fee is collected and/or remitted to the City, resulting in an unfair business advantage to these illegal operations and loss of revenue necessary to provide City services.

I. Problems with short term lodgings are particularly acute in residential districts where the peace, safety and general welfare of the long term residents is threatened.

J. There has been an increase in the number of short term rentals in areas of the City outside of the Coastal Zone, which affects neighborhoods that have traditionally not had short term rentals. It is in the City's interest to stop issuing new permits in areas outside the Coastal Zone after March 31, 2020 and to stop renewing permits for short term lodging units outside of the Coastal Zone after March 31, 2030.

K. To ensure the effective enforcement of this Code, it is necessary to have the owner include the short term lodging permit number issued by the City on all advertisements for a short term lodging unit so the transient user knows the owner is authorized to rent the lodging unit on a short term basis.

L. To make sure the transient user knows the total cost associated with renting the lodging unit and to prevent fraud, it is necessary for the owner to ensure the transient user is informed of the amount of the transient occupancy tax and visitor service fee, prior to completing a booking transaction.

M. The restrictions of this chapter are necessary to preserve the City's housing stock, the quality and character of the City's residential neighborhoods as well as to prevent the continued burden on City services and adverse impacts on residential neighborhoods posed by short term lodgings.

Notice shall be deemed given when deposited in the United States mail, with the first class postage prepaid, and addressed as specified by the person or persons on the waiting list. 5.95.040 Filing Fee.

An application or renewal application for a short term lodging permit shall be accompanied by a fee established by resolution of the City Council, provided, however, the fee shall be no greater than necessary to defer the cost incurred by the City in administering the provisions of this chapter and for providing the answering service.

B. Permits shall be suspended or revoked, only in the manner provided in this section.

1. The Finance Director shall conduct an investigation whenever he or she has reason to believe that an owner has committed a violation of a permit condition, this Code, state or federal law related to a permitted unit. Such investigation may include, but is not limited to, on-site property inspections. Should the investigation reveal substantial evidence to support a finding that a violation occurred that warrants a suspension or revocation of the short term lodging permit, the Finance Director shall issue written notice of intention to suspend or revoke the short term lodging permit. The written notice shall be served on the owner in accordance with Section 1.08.080, and shall specify the facts which, in the opinion of the Finance Director constitute substantial evidence to establish grounds for imposition of the suspension and/or revocation, and specify the proposed time the short term lodging permit shall be suspended and/or that the short term lodging permit shall be revoked within thirty (30) calendar days from the date the notice is given, unless the owner files, before the suspension and/or revocation becomes effective, a request for hearing before a hearing officer, who shall be retained by the City, and pays the fee for the hearing established by resolution of the City Council.

2. If the owner requests a hearing and pays the hearing fee, established by resolution of the City Council, within the time specified in subsection (B)(1), the Finance Director shall serve written notice on the owner, pursuant to Section 1.08.080, setting forth the date, time and place for the hearing. The hearing shall be scheduled not less than fifteen (15) calendar days, nor more than sixty (60) calendar days, from the date on which notice of the hearing is served by the Finance Director. The hearing shall be conducted according to the rules normally applicable to administrative hearings. At the hearing, the hearing officer will preside over the hearing, take evidence and then submit proposed findings and recommendations to the City Manager. The City Manager shall suspend or revoke the short term lodging permit only upon a finding that a violation has been proven by a preponderance of the evidence, and that the suspension or revocation is consistent with the provisions of this section. The City Manager shall render a decision within thirty (30) calendar days of the hearing and the decision shall be final.

C. If a short term lodging permit is suspended, it shall be the owner's responsibility to vacate any future bookings and remove all advertisements related to the short term rental of the unit during the term of the suspension. If a short term lodging permit is revoked, it shall be the owner's responsibility to vacate any future bookings and remove all advertisements related to the short term rental of the unit.
