RESOLUTION NO. 2025-40

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF NEWPORT BEACH, CALIFORNIA, AUTHORIZING EXECUTION OF THE INTERGOVERNMENTAL AGREEMENT REGARDING TRANSFER OF PUBLIC FUNDS WITH THE DEPARTMENT OF HEALTH CARE SERVICES (DHCS), AND THE HEALTH PLANPROVIDER AGREEMENT WITH CALOPTIMA, TO PARTICIPATE IN THE MEDI-CAL RATE RANGE INTERGOVERNMENTAL TRANSFER (IGT) PROGRAM

WHEREAS, since 2006, the California Department of Health Care Services ("DHCS") has offered local agencies that provide health care the opportunity to secure additional Medi-Cal revenues by participating in a voluntary Intergovernmental Transfer ("IGT") program with their local Medi-Cal managed care plan provider;

WHEREAS, CalOptima, a California public agency("CalOptima"), is the County Organized Health System created by the Orange County Board of Supervisors to serve as the local Medi-Cal managed care plan provider for Orange County;

WHEREAS, CalOptima, contracts with the State of California to administer additional Medi-Cal revenues to qualified public entities to offset previously unreimbursed costs for serving Medi-Cal plan members;

WHEREAS, the City of Newport Beach is a provider of health care that receives payment from CalOptima pursuant to an agreement for the provision of emergency medical transport services to Medi-Cal members on a fee-for-service basis, but has unreimbursed costs associated with providing these services;

WHEREAS, participation in the IGT program with DHCS and CalOptima provides an opportunity for the City to recover previously unreimbursed costs associated with providing services to Medi-Cal members, potentially reaching full cost recovery for Emergency Medical Services in accordance with Newport Beach Municipal Code Chapter 3.36 (Cost Recovery for User Services);

WHEREAS, the IGT program requires participants to contribute to the non-federal share of Medi-Cal Managed Care, which DHCS will combine with related federal funds and distribute to local Medi-Cal managed care plan providers for distribution to participating local agencies to reimburse unfunded costs for serving Medi-Cal plan members;

WHEREAS, the estimated non-federal share contribution for the City for the period of January 1, 2024, through December 31, 2024, is One Hundred Thirty-Seven Thousand, Two Hundred, Eighty-Eight Dollars (\$137,288);

WHEREAS, pursuant to Welfare and Institutions Code Section 14301.4(d)(1), the non-federal share contribution is subject to a twenty percent (20%) administrative fee to reimburse DHCS for the administrative costs of operating the IGT program; and

WHEREAS, to date, the City has transferred a total of Three Million Forty Three Thousand Five Hundred Sixty Two Dollars (\$3,043,562) in non-federal share contributions and administrative fees, and has received IGT program funding in the amount of Five Million Eight Hundred Five Thousand Seven Dollars (\$5,805,007), which has resulted in a net return of Two Million Seven Hundred Sixty One Thousand Four Hundred Forty Five Dollars (\$2,761,445) to reimburse and draw down previously unfunded costs for providing services to Medi-Cal members;

NOW, THEREFORE, the City Council of the City of Newport Beach resolves as follows:
