

NOTICE OF PUBLIC HEARING

NOTICE IS HEREBY GIVEN that on **Thursday, March 16, 2023**, at **10:00 a.m.** or soon thereafter as the matter shall be heard, a public hearing will be conducted online via Zoom. The Zoning Administrator of the City of Newport Beach will consider the following application:

Horton Residence – A coastal development permit (CDP) to allow the demolition of an existing single-family residence and construction of a new 5,344-square-foot, two (2)-story, single-family residence with an attached 852-square foot three (3)-car garage. The project includes landscape, hardscape, drainage, and accessory structures all within the confines of the property. The project complies with all development standards and no deviations are requested. All improvements authorized by this CDP will be located on private property.

The project also includes additional improvements that are subject to separate review by the California Coastal Commission. This Coastal Development Permit is intended to cover portions of the project within the City's permit authority as designated in the Local Coastal Program (Title 21 of the Newport Beach Municipal Code).

The project is categorically exempt under Section 15303 under Class 3 (New Construction or Conversion of Small Structures) of the State CEQA (California Environmental Quality Act) Guidelines.

All interested parties may appear and present testimony in regard to this application. If you challenge this project in court, you may be limited to raising only those issues you raised at the public hearing or in written correspondence delivered to the City, at, or prior to, the public hearing. The application may be continued to a specific future meeting date, and if such an action occurs, additional public notice of the continuance will not be provided.
