Snug Harbor Road – Residents Letter and Petition

March 5, 2026

Good afternoon Kevin,

Please find the signed petition to revise 2 hour parking to 1 hour parking on Snug Harbor Road and pictures of signage on Margaret Street.

The petition was unanimously signed by all the residents - they seriously and strongly support it. Many of them have shared experiences. This is an established neighborhood and most of us have seen the situation deteriorate over the years. My neighbors asked me to summarize to the city council our top reasons for requesting this change.

Our taxpayer rights/services are continually being diminished.

1. Street Sweeping - cars and daily litter from NHHS students
2. Mail Delivery - the postal service continually leaves notes on our mailboxes for "mailbox blocked - no delivery". The postal employees are not obliged to get out of the truck to try to get to blocked mailboxes.
3. Trash Pick Up - The students move the trash cans or park in front of them. Multiple residents (myself included) have had to contact CR&R to request additional pick-ups that were missed.
4. Neighborhood Safety and Security

Safety has been affected as well. The speeding is truly unlawful and the students park far longer than the 2-hour limit. If it is changed to 1 hour - they will realize their classes are longer than 60 minutes and they will be past the limit to start.

Since the 2-hour parking on Snug Harbor was put into effect, it has done virtually nothing to benefit the residents/homeowners, and there is still no parking available for residents, their guests or service providers. We have seen only worse conditions, as the students feel entitled to use our end of the street as their school parking lot/trash heap. As taxpayers this has become un-manageable and unacceptable.

Not only has this failed to fix the problems, we the residents are forced to pay every year for parking stickers (3 max allowed @ 45\$ each). The residents ask that with proof of ID and Address that 1 hour parking placards (if still necessary) are at no cost to resident households. It seems to us; we have a right to park near our homes as well as our guests or service providers.

Margaret Drive, which changed to 1 hour parking with significant "RESIDENT ONLY - 1 Hour Parking" signage displayed, has seen excellent results. We hope we can join them in that sentiment.

We thank the city council for their consideration and support in improving our neighborhood parking so we can enjoy our tax payer services, maintain the beauty of our neighborhood and gain back the safety that has been lost.

We are hoping the amendment can be voted on and put into place for the upcoming school year (or sooner!).

Sincerely,

A handwritten signature in black ink, appearing to be 'Stacia Nadelman', with a long horizontal line extending to the right.
