The following comments on an item on the Newport Beach [General Plan Advisory Committee agenda](#) are submitted by: Jim Mosher ( [jimmosher@yahoo.com](mailto:jimmosher@yahoo.com) ), 2210 Private Road, Newport Beach 92660 (949-548-6229)

### ***Item IV.b. Draft Harbor, Bay, and Beaches Element***

Similar to agenda Item IV.b, the cover memo in the agenda packet says “*the Harbor, Bay, and Beaches Subcommittee met on April 30, 2025, to review the initial draft. After discussion on several key points, the Subcommittee provided pointed feedback and allowed City staff to work with Dudek on responsive revisions.s.*” Where are the action minutes of that meeting? What were the key points discussed? What was the “pointed feedback”? And how does the draft element being presented for review reflect it?

As with Item IV.a, the [Harbor\\_and\\_Bay](#) subcommittee page is not helpful in answering those questions, since it documents only a single meeting from March 12, 2024. And, as with Item IV.a, judging from the additional post-subcommittee-meeting material provided starting on page 36 of the present [agenda packet](#), it looks like not everyone may agree the current draft is entirely responsive.
