

MEMORANDUM

Date: January 11, 2022

To: Honorable Mayor & Members of City Council

From: Mark Vukojevic, Utilities Director

Subject: Agenda Item No. 21 – Changes to Street Sweeping
Parking Restrictions in West Newport, Resolution
No. 2022-7

**Utilities
Department**

Since the posting of the agenda, the Utilities Department is requesting a change and removal of the proposed street sweeping parking restrictions in the City's industrial area on West 16th Street, Production Place, Monrovia Avenue and Babcock Street.

Correction to the Staff Report

Staff is requesting the removal of the proposed parking restrictions in the industrial area as noted in the staff report and found on Attachment D. Parked cars in this area prevent effective street sweeping and the proposed restrictions would improve the removal of street trash and debris, thereby improving water quality. To lessen the impacts to the industrial businesses, staff would like to try alternative early morning sweeping method along with additional outreach prior to implementing parking restrictions.

Correction to Resolution 2022-7

Resolution No. 2022-7: The following street segments have been removed:

- West 16th Street from Placentia Avenue to West City Limit
- Production Place from Placentia Avenue to Monrovia Avenue
- Monrovia Avenue from 15th Street to North City Limit
- Babcock Street from West 16th Street to North City Limit

Attachment D, West Newport Location Map is hereby removed
