

On the Agenda: City Council Meeting for May 10, 2022

Our next City Council meeting is Tuesday, May 10. Items of interest are highlighted below. The entire agenda and reports can be viewed [here](#).

A study session will begin at 4 p.m. Agenda items include:

- Residential refuse program update. Staff from the Public Works Department will present an update on changes to the City's [residential waste and recycling program](#) implemented during the past several months to bring Newport Beach in compliance with new state laws mandating the recycling of organic waste. This agenda item was continued from the April 26 Council meeting.
- Short-term lodging permit transfers. City staff will discuss how [short-term lodging](#) permits may be transferred under the City's municipal code when a home changes owners, the number of permit transfers that occur, and how Newport Beach's practices compare to neighboring cities.

The regular session begins at 6 p.m.
