

NOTICE OF PUBLIC HEARING

NOTICE IS HEREBY GIVEN that on **Thursday, July 07, 2022**, at **6:30 p.m.** or soon thereafter as the matter shall be heard, a public hearing will be conducted in the Council Chambers at 100 Civic Center Drive, Newport Beach. The Planning Commission of the City of Newport Beach will consider the following application:

Gannon Residence – A coastal development permit (CDP) to allow the demolition of an existing single-family residence and the construction of a new 4,402-square-foot, single-family residence and adjust the off-street parking requirements with a parking management plan. In addition, the applicant requests to increase the allowed building height to 28 feet for flat roofs and 33 feet for sloped roofs pursuant to the provisions of Use Permit No. UP3618. The project includes hardscape, drainage facilities, accessory structures, and approximately 194 square feet of landscaping. With exception of the requested adjustment to off-street parking requirements and height increase, the project complies with all applicable development standards

The project is categorically exempt under Section 15303 - Class 3 (New Construction or Conversion of Small Structures) of the State CEQA (California Environmental Quality Act) Guidelines.

All interested parties may appear and present testimony in regard to this application. If you challenge this project in court, you may be limited to raising only those issues you raised at the public hearing or in written correspondence delivered to the City, at, or prior to, the public hearing. The application may be continued to a specific future meeting date, and if such an action occurs, additional public notice of the continuance will not be provided. Administrative procedures for appeals are provided in the Newport Beach Municipal Code Chapter 21.64 (Appeals and Calls for Review). A fee is required to appeal any final action on a coastal development permit to the City Council. The project site is located within the appeal area of the coastal zone; therefore, final action by the City may be appealed to the California Coastal Commission.
