**NOTICE IS HEREBY GIVEN** that on **Thursday, September 29, 2022**, at **10:00 a.m.** or soon thereafter as the matter shall be heard, a public hearing will be conducted online via Zoom. The Zoning Administrator of the City of Newport Beach will consider the following application:

**Seaward Road, LLC**— A lot merger to combine two parcels held in common by removing the lot line that separates them to allow for future improvements across the existing interior property line. The application also includes a request to waive the requirement to file a parcel map. The front property is developed with a single-family home, while the rear lot is undeveloped and currently acts as a backyard for the home on the front property.

The project is categorically exempt under Section 15305 under Class 5 (Minor Alterations in Land Use Limitations) of the State CEQA (California Environmental Quality Act) Guidelines.

All interested parties may appear and present testimony regarding this application. If you challenge this project in court, you may be limited to raising only those issues you raised at the public hearing or in written correspondence delivered to the City, at, or prior to, the public hearing. Administrative procedures for appeals are provided in the Newport Beach Municipal Code Section 19.68.030 (Lot Mergers). The application may be continued to a specific future meeting date, and if such an action occurs, additional public notice of the continuance will not be provided.

The agenda, staff report, and corresponding documents will be available by end of business day on the Friday preceding the public hearing and may be reviewed at the Community Development Department Permit Center (Bay C-1st Floor), at 100 Civic Center Drive, Newport Beach, CA 92660 or the City of Newport Beach website at [www.newportbeachca.gov/zoningadministrator](http://www.newportbeachca.gov/zoningadministrator). **Please review the Zoning Administrator Agenda for Zoom participation instructions.** Individuals not able to attend the meeting may contact the Planning Division or access the City's website after the meeting to review the action on this application.
