

# NOTICE OF PUBLIC HEARING

**NOTICE IS HEREBY GIVEN** that on **Thursday, September 29, 2022**, at **10:00 a.m.** or soon thereafter as the matter shall be heard, a public hearing will be conducted online via Zoom. The Zoning Administrator of the City of Newport Beach will consider the following application:

**CR Family Trust Residence** - A request for a coastal development permit (CDP) to allow the demolition of an existing nonconforming duplex and the construction of a new three (3)-story, 2,056-square-foot, single-unit residence with a 365-square-foot attached accessory dwelling unit (ADU). The proposed development includes an attached 479.5 square-foot-two (2)-car garage. The proposed development complies with all applicable development standards and no deviations are requested. All proposed development reviewed under this CDP application is within the confines of private property. Any future patio encroachments into the West Ocean Front public beach would require a separate review and a permit from the California Coastal Commission.

The project is categorically exempt under Section 15303 under Class 3 (New Construction or Conversion of Small Structures) of the State CEQA (California Environmental Quality Act) Guidelines.

All interested parties may appear and present testimony in regard to this application. If you challenge this project in court, you may be limited to raising only those issues you raised at the public hearing or in written correspondence delivered to the City, at, or prior to, the public hearing. The application may be continued to a specific future meeting date, and if such an action occurs, additional public notice of the continuance will not be provided. Administrative procedures for appeals are provided in the Newport Beach Municipal Code Chapter 21.64 (Appeals and Calls for Review). A fee is not required to appeal any final action on a coastal development permit to the Planning Commission. The project site is located within the appeal area of the coastal zone; therefore, final action by the City may be appealed to the California Coastal Commission.

The agenda, staff report, and corresponding documents will be available by end of business day on the Friday preceding the public hearing and may be reviewed at the Community Development Department Permit Center (Bay C-1st Floor), at 100 Civic Center Drive, Newport Beach, CA 92660 or the City of Newport Beach website at [www.newportbeachca.gov/zoningadministrator](http://www.newportbeachca.gov/zoningadministrator). **Please review the Zoning Administrator Agenda for Zoom participation instructions.** Individuals not able to attend the meeting may contact the Planning Division or access the City's website after the meeting to review the action on this application. All mail or written communications (including email) from the public, residents, or applicants regarding an agenda item must be submitted by 12:00 p.m. on the business day immediately prior to the meeting. This allows time for the Zoning Administrator to adequately consider the submitted correspondence.
