4. Harbor Stakeholders (Scully) - Matters pertaining to Residential, Recreational, and Commercial Users.

	4.1 Evaluate enhancements and/or services to City amenities which will improve the operation and enjoyment of the Harbor. Additionally, identify new revenue generating offerings that would be administered through the Harbor Department. (Scully)	4.2 Evaluate and make recommendations for Lower Castaways. (Marston)	4.3 Continue the dialogue with representatives of the Harbor Charter Fleet industry, commercial vessel operators and rental concessionaires to: (1) promote best practices for all charter and commercial boat operations in Newport Harbor with particular attention to safety, operational support, speed, noise and pollution control/compliance and (2) evaluate (a) total number of vessels for hire on the harbor, (b) maximum passenger capacity for each vessel and in total, and (c) overall height of the superstructure of vessels for charter within the Harbor. (Williams)			
January 12, 2022	Nothing to report.	The ad hoc with engage Council for interest in improvements for Lower Castaways.	The ad hoc has discussed ideas for promoting best practices and addressing safety in the Harbor. The ad hoc has also discussed establishing a document that lists all the vessels that operate within the Harbor.			
February 9, 2022	Nothing to report.	Council has noted that Lower Castaways should not become a landfill and warrants further improvements. The ad hoc will speak to Council Members.	The ad hoc has drafted a work plan and the next step was to create a Newport Harbor Safety Committee that will hold a bi-monthly meeting with the boating and business community. The committee will discuss best practices within the Harbor, an emergency response plan, pollution identification and other Harbor-related items.			
March 9, 2022	Nothing to report.	The ad hoc has reached out to some of the Council and they are supportive of exploring improvements at Lower Castaways. The next step is to begin discussions with the Community Development Department and Public Works Department.	The ad hoc is in the process of creating the Newport Harbor Safety Committee.			
April 13, 2022	Nothing to report.	Engagement with Council regarding Lower Castaways continues and next steps will be determined.	The ad hoc has identified the framework for the Safety Committee and is in the process of identifying key members. The ad hoc anticipates the first meeting will be held in the third quarter of 2022.			
May 11, 2022	This Ad Hoc is working with the Water Quality Coastal Tidelands Committee to install floating restrooms on opposite sides of the Harbor.	The Ad Hoc is discussing further ideas for Lower Castaways and trying to determine next steps.	The Ad Hoc noted the database of rental charters, non-profit vessels and human-powered craft is near completion.			
June 8, 2022	This Ad Hoc is continuing to discuss installation of floating restrooms for the Harbor.	The Ad Hoc continues to discuss further ideas for Lower Castaways and is working to determine next steps.	The Ad Hoc is starting to identify stakeholders to take part in the Safety Committee.			
July 13, 2022	This Ad Hoc will continue to discuss installation of floating restrooms for the Harbor.	The Ad Hoc has reached out to the PB&R Committee to confirm whether plans have been discussed for this location. No plans are being discussed at this time. The Ad Hoc would also like to have a joint effort on this topic between both Commissions.	The goal of this Ad Hoc is to hold the first meeting of the Safety Committee in the 3rd Quarter of this year. Chair Scully also noted that he has updated his census information that was presented at the June meeting and the information will be posted to the Harbor website.			
August 10, 2022	Nothing to report.	This Objective is being placed on hold for now.	25 candidates have been identified to participate in the Newport Harbor Safety Committee. The first meeting is scheduled for October 18, at 5:30 p.m.			
September 14, 2022	The WQCT Committee was disappointed with the decision of the Harbor Commission to approach the floating restroom topic with education first. Perhaps there can be a review of this item.		The ad hoc is looking forward to the first Harbor Safety Committee meeting on October 18 and anticipates a good turn out.			
October 12, 2022	The Trash Wheel has obtained the necessary permitting and staff is now working on some grant funding for this project.		The ad hoc is looking forward to the first Harbor Safety Committee meeting on October 18 and will report additional details at the November meeting.
