

NOTICE OF PUBLIC HEARING

NOTICE IS HEREBY GIVEN that on **Thursday, January 26, 2023**, at **10:00 a.m.** or soon thereafter as the matter shall be heard, a public hearing will be conducted online via Zoom. The Zoning Administrator of the City of Newport Beach will consider the following application:

LA21G, LLC Residential Condominiums - A request for a tentative parcel map and coastal development permit for a two-unit condominium. A duplex will be demolished, and a new duplex will be constructed (currently in plan check). No waivers of Title 19 (Subdivisions) are proposed. The tentative parcel map will allow each unit to be sold individually.

The project is categorically exempt under Section 15315 under Class 15 (Minor Land Divisions) of the State CEQA (California Environmental Quality Act) Guidelines.

All interested parties may appear and present testimony regarding this application. If you challenge this project in court, you may be limited to raising only those issues you raised at the public hearing or in written correspondence delivered to the City or before the public hearing. Administrative procedures for appeals are provided in the Newport Beach Municipal Code Chapters 19.12 and 21.64. A fee is not required to appeal any final action on a coastal development permit to the Planning Commission. The project site is not located within the appeal area of the coastal zone; therefore, final action by the City may not be appealed to the California Coastal Commission.

The agenda, staff report, and corresponding documents will be available by end of business day on the Friday preceding the public hearing and may be reviewed at the Community Development Department Permit Center (Bay C-1st Floor), at 100 Civic Center Drive, Newport Beach, CA 92660 or the City of Newport Beach website at www.newportbeachca.gov/zoningadministrator. **Please review the Zoning Administrator Agenda for Zoom participation instructions.** Individuals not able to attend the meeting may contact the Planning Division or access the City's website after the meeting to review the action on this application. All mail or written communications (including email) from the public, residents, or applicants regarding an agenda item must be submitted by 12:00 p.m. on the business day immediately before the meeting. This allows time for the Zoning Administrator to adequately consider the submitted correspondence.
