# Memorandum

**To:** Planning Commission  
**From:** Patrick J. Alford, Planning Program Manager  
**Date:** April 27, 2017  
**Re:** Agenda Item No. 3 – LCP Clean-up Amendments

Based on public feedback received, the Planning Division believes that it would be helpful to provide a table that relates the proposed revisions to the Local Coastal Program (LCP) Implementation Plan to the existing corresponding sections of the Zoning Code. This demonstrates that the proposed amendments are consistent with the regulations already in effect in the Zoning Code.
