

NOTICE OF PUBLIC HEARING

NOTICE IS HEREBY GIVEN that on **Thursday, May 17, 2018**, at **4:00 p.m.** or soon thereafter as the matter shall be heard, a public hearing will be conducted in the Council Chambers at 100 Civic Center Drive, Newport Beach. The Planning Commission of the City of Newport Beach will consider the following application:

Verizon and AT&T Monopole Telecommunications Facility - The applicant requests a conditional use permit (CUP) and a coastal development permit (CDP) to construct two, 43-foot-tall, slim line monopoles (i.e., antennas located within pole) to accommodate twelve, six-foot-tall antennas for Verizon Wireless and AT&T. The telecom facility support equipment will be ground-mounted and enclosed within a new 450-square-foot enclosure. The two monopoles would exceed the 32-foot height limit by 11 feet.

The project is categorically exempt pursuant to Section 15303, of the State CEQA (California Environmental Quality Act) Guidelines - Class 3 (New Construction or Conversion of Small Structures).

All interested parties may appear and present testimony in regard to this application. If you challenge this project in court, you may be limited to raising only those issues you raised at the public hearing or in written correspondence delivered to the City, at, or prior to, the public hearing. The application may be continued to a specific future meeting date, and if such an action occurs, additional public notice of the continuance will not be provided. Administrative procedures for appeals are provided in the Newport Beach Municipal Code Chapters 20.64 and 21.64. Fees are required to appeal any final action on the applications to the City Council. The project site is not located within the appeal area of the coastal zone; therefore, final action by the City on the applications may not be appealed to the California Coastal Commission.

The agenda, staff report, and corresponding documents will be available by end of business day on the Friday preceding the public hearing, and may be reviewed at the Community Development Department Permit Center (Bay C-1st Floor), at 100 Civic Center Drive, Newport Beach, California, CA 92660 or at the City of Newport Beach website at www.newportbeachca.gov/planningcommission. Individuals not able to attend the meeting may contact the Planning Division or access the City's website after the meeting to review the action on this application. All mail or written communications (including email) from the public, residents, or applicants regarding an agenda item must be submitted by 5 p.m. on the business day immediately prior to the meeting. This allows time for the Planning Commission to adequately consider the submitted correspondence.

For questions regarding this public hearing item, please contact Jaime Murillo, Senior Planner, at 949-644-3209, jmurillo@newportbeachca.gov.
