**NOTICE IS HEREBY GIVEN** that on **Thursday, October 25, 2018**, at **3:00 p.m.** or soon thereafter as the matter shall be heard, a public hearing will be conducted in the Corona del Mar Conference Room (Bay E-1st Floor) at 100 Civic Center Drive, Newport Beach. The Zoning Administrator of the City of Newport Beach will consider the following application:

The proposal includes a new faux chimney structure that will house up to six (6) panel antennas and will match an existing faux chimney structure. Also included is a fiberglass reinforced plastic (FRP) screen wall extension of the existing rooftop elevator penthouse that will house up to three (3) panel antennas. All supporting equipment will be located within an enclosure at the ground level. The proposed development complies with all applicable development standards including height, setbacks and floor area limits. No deviations are requested. All proposed improvements are within the confines of private property.

The project is categorically exempt under Section 15303, of the State CEQA (California Environmental Quality Act) Guidelines - Class 3 (New Construction or Conversion of Small Structures).

All interested parties may appear and present testimony in regard to this application. If you challenge this project in court, you may be limited to raising only those issues you raised at the public hearing or in written correspondence delivered to the City, at, or prior to, the public hearing. The application may be continued to a specific future meeting date, and if such an action occurs, additional public notice of the continuance will not be provided. Administrative procedures for appeals are provided in the Newport Beach Municipal Code Chapter 21.64 (Appeals or Calls for Review). Fees are required to appeal any final action on a Coastal Development Permit to the Planning Commission or City Council. The project site is located within the appeal area of the coastal zone; therefore, final action by the City to approve a Coastal Development Permit may be appealed to the California Coastal Commission.

The agenda, staff report, and corresponding documents will be available by end of business day on the Friday preceding the public hearing, and may be reviewed at the Community Development Department Permit Center (Bay C-1st Floor), at 100 Civic Center Drive, Newport Beach, California, CA 92660 or at the City of Newport Beach website at [www.newportbeachca.gov/zoningadministrator](http://www.newportbeachca.gov/zoningadministrator). All mail or written communications (including email) from the public, residents, or applicants regarding an agenda item must be submitted by 5 p.m. on the business day immediately prior to the meeting.
