

NOTICE OF PUBLIC HEARING

NOTICE IS HEREBY GIVEN that on **Thursday, December 13, 2018**, at **3:00 p.m.** or soon thereafter as the matter shall be heard, a public hearing will be conducted in the Corona del Mar Conference Room (Bay E-1st Floor) at 100 Civic Center Drive, Newport Beach. The Zoning Administrator of the City of Newport Beach will consider the following application:

Casabonne Residence – A modification permit to allow an addition to an existing single-family residence that is greater than 10 percent of the existing square footage. The existing garage is considered non-conforming due to width, with an interior dimension of 19 feet 6 inches instead of the 20-foot-width requirement. The total square footage of the proposed residence (including garage) would be 2,017 square feet.

The project is categorically exempt under Section 15303, of the State CEQA (California Environmental Quality Act) Guidelines Class 3 (New Construction or Conversion of Small Structures).

All interested parties may appear and present testimony in regard to this application. If you challenge this project in court, you may be limited to raising only those issues you raised at the public hearing or in written correspondence delivered to the City, at, or prior to, the public hearing. Administrative procedures for appeals are provided in the Newport Beach Municipal Code Chapter 20.64. The application may be continued to a specific future meeting date, and if such an action occurs, additional public notice of the continuance will not be provided.

The agenda, staff report, and corresponding documents will be available by end of business day on the Friday preceding the public hearing, and may be reviewed at the Community Development Department Permit Center (Bay C-1st Floor), at 100 Civic Center Drive, Newport Beach, California, CA 92660 or at the City of Newport Beach website at www.newportbeachca.gov/zoningadministrator. Individuals not able to attend the meeting may contact the Planning Division or access the City's website after the meeting to review the action on this application. All mail or written communications (including email) from the public, residents, or applicants regarding an agenda item must be submitted by 5 p.m. on the business day immediately prior to the meeting. This allows time for the Zoning Administrator to adequately consider the submitted correspondence.
