# December 2018 Boat Auctions

Item 7.6 Harbormaster Update-December 2018  
Additional Material Presented at Meeting - Kurt Borsting Presentation  
01-09-2019 Harbor Commission Meeting

- Auctions held December 11<sup>th</sup> and December 31<sup>st</sup>
- Three vessels featured in first auction (77' powerboat, 34' powerboat, and a 41' sailboat). None were sold.
- At the 12/31 auction thirty-three vessels were featured. Twenty-three of which were sold.

# December 2018 Boat Auctions

Item 7.6 Harbormaster Update-December 2018  
Additional Material Presented at Meeting - Kurt Borsting Presentation  
01-09-2019 Harbor Commission Meeting

- Six unsold small vessels were immediately relocated for dismantling/destruction.
- Dismantling of the remaining unsold boats will take place using grant funds previously awarded to the City through the Division of Boating and Waterways “SAVE” program
- \$2,100 in revenue from sales were generated from the auctions

*Community members preview inventory prior to Dec. 31<sup>st</sup> auction.*

# Code Enforcement Activity

Item 7.6 Harbormaster Update-December 2018  
Additional Material Presented at Meeting - Kurt Borsting Presentation  
01-09-2019 Harbor Commission Meeting

- December 2018 was an active month for Harbor Department Code Enforcement
- 158 new cases were opened
- Staff efforts focused on addressing expired mooring overhauls and permittees with expired insurance and/or registration on-file.
- Seven meetings with area businesses took place to review their operations, followed by issuing updated Marine Activities Permits.

*Code Enforcement staffer, Matt Cosylian performing follow up inspection of moored vessel*
