ORDINANCE NO. 2018-14

**AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF
NEWPORT BEACH, CALIFORNIA, AMENDING TITLE 20 OF
THE NEWPORT BEACH MUNICIPAL CODE AND
ADOPTING ZONING CODE AMENDMENT NO. CA2018-003
TO IMPLEMENT REVISIONS TO STATE LAW RELATING
TO ACCESSORY DWELLING UNITS (PA2018-099)**

WHEREAS, State law (Senate Bill 229 and Assembly Bill 494, Statutes of 2017) requires jurisdictions to amend their local zoning ordinances to conform to California Government Code Section 65852.2;

WHEREAS, Senate Bill 229 and Assembly Bill 494 are intended to address the State housing crisis by easing regulatory barriers for homeowners who choose to construct accessory dwelling units;

WHEREAS, accessory dwelling units provide housing for family members, students, the elderly, in-home health care providers, the disabled, and others, at below market prices within existing neighborhoods. In addition, homeowners who construct accessory dwelling units benefit from added income and increased sense of security;

WHEREAS, allowing accessory dwelling units in conjunction with single-family residential development provides additional rental housing stock;

WHEREAS, accessory dwelling units offer lower cost housing to meet the needs of existing and future residents within existing neighborhoods, while respecting architectural character;

WHEREAS, adopting an ordinance consistent with California Government Code Section 65852.2 ensures that the character of the City of Newport Beach ("City") is preserved to the maximum extent possible and that the City's regulation regarding accessory dwelling units continues to promote the health, safety, and welfare of the community;

WHEREAS, the City has designated areas where accessory dwelling units may be located, when permitted by California Government Code Section 65852.2, based in part upon adequacy of water and sewer services and the impact of accessory dwelling units on traffic flow and public safety;

WHEREAS, as permitted by California Government Code Section 65852.2, the City finds that prohibiting parking in rear alley setbacks is essential to preserve vehicular maneuverability for residents and fire-life safety personnel traveling through the City's narrow alleyways. In addition, prohibiting parking in front setbacks, unless located on a driveway with a minimum twenty (20) feet in depth, is also essential to ensure that driveways are of sufficient depth to accommodate a vehicle entirely on-site without protruding into the public right-of-way and blocking pedestrian, bicyclist, and vehicular traffic creating a life safety condition;

WHEREAS, a public hearing was held on August 9, 2018, in the Council Chambers located at 100 Civic Center Drive, Newport Beach. A notice of time, place and purpose of the public hearing was given in accordance with the Newport Beach Municipal Code ("NBMC"). Evidence, both written and oral, was presented to, and considered by, the Planning Commission at this public hearing;

WHEREAS, on August 9, 2018, the Planning Commission adopted Resolution No. PC2018-025 by a unanimous vote (7-0), recommending approval of Zoning Code Amendment No. CA2018-003 to the City Council;

WHEREAS, a public hearing was held on September 11, 2018, in the Council Chambers located at 100 Civic Center Drive, Newport Beach. A notice of time, place and purpose of the public hearing was given in accordance with the NBMC. Evidence, both written and oral, was presented to, and considered by, the City Council at this public hearing;

WHEREAS, on September 11, 2018, the City Council by a unanimous vote (7-0), introduced Ordinance No. 2018-14 approving Zoning Code Amendment No. CA2018-003;

WHEREAS, on October 12, 2018, the California Coastal Commission approved LCP Amendment Request No. 4-17 Part B (LCP-5-NPB-17-0084-1), which included LCP Amendment No. LC2017-003 with modifications to incorporate more recent changes in State law (Senate Bill 229 and Assembly Bill 494, Statutes of 2017) that became effective January 1, 2018;

WHEREAS, as a result of the Coastal Commission's action, Zoning Code Amendment No. CA2018-003 was modified to make it consistent with the modifications in Coastal Commission's approval of LCP Amendment No. 2017-003 on October 12, 2018; and

WHEREAS, a public hearing was held on January 22, 2019, in the Council Chambers located at 100 Civic Center Drive, Newport Beach. A notice of time, place and purpose of the public hearing was given in accordance with the NBMC. Evidence, both written and oral, was presented to, and considered by, the City Council at this public hearing.

E. Deed restriction and recordation required. Prior to the issuance of a Building and/or Grading Permit for an accessory dwelling unit, the property owner shall record a deed restriction with the County Recorder's Office, the form and content of which is satisfactory to the City Attorney. The deed restriction document shall notify future owners of the owner occupancy requirements and restrictions on short-term rentals. This deed restriction shall remain in effect so long as the accessory dwelling unit exists on the property.
