Memorandum

To: Zoning Administrator
From: Liz Westmoreland, Assistant Planner
Date: May 7, 2019
Re: Item No. 5 PA2018-261 - Zoning Administrator Hearing May 16, 2019

The Argent LLC. Lot Merger Application was continued from the April 25th Zoning Administrator Hearing date to the May 16th Zoning Administrator Hearing in order to resolve a mapping discrepancy.

However, additional data is still needed prior to the public hearing. Thus, the item will be continued to the next Zoning Administrator Hearing on **May 30, 2019**. The item is continued to a date certain and no additional notification is necessary.
