

NOTICE OF PUBLIC HEARING

NOTICE IS HEREBY GIVEN that on **Thursday, May 30, 2019**, at **3:00 p.m.** or soon thereafter as the matter shall be heard, a public hearing will be conducted in the Corona del Mar Conference Room (Bay E-1st Floor) at 100 Civic Center Drive, Newport Beach. The Zoning Administrator of the City of Newport Beach will consider the following application:

The Milan Panic Family Trust Residence - A coastal development permit to demolish an existing single-family residence and construct a new three-story, 14,273-square-foot, single-family residence with an 897-square-foot garage and 8,559-square-foot subterranean basement. The project includes hardscape, drainage, landscaping improvements, and accessory structures including a swimming pool. The project also includes a reinforced bulkhead with cap for coastal hazards protection. The proposed residence complies with all applicable development standards including height, setbacks, and floor area limits. No deviations are requested. The subject property is bisected by the coastal permit jurisdiction boundary resulting in a portion of the front patio accessory improvements and the bulkhead improvements being within Coastal Commission's permit jurisdiction and requiring their review.

The project is categorically exempt under Section 15303, of the State CEQA (California Environmental Quality Act) Guidelines - Class 3 (New Construction or Conversion of Small Structures).

All interested parties may appear and present testimony in regard to this application. If you challenge this project in court, you may be limited to raising only those issues you raised at the public hearing or in written correspondence delivered to the City, at, or prior to, the public hearing. The application may be continued to a specific future meeting date, and if such an action occurs, additional public notice of the continuance will not be provided. Administrative procedures for appeals are provided in the Newport Beach Municipal Code Chapter 21.64. Fees are required to appeal any final action on a Coastal Development Permit to the Planning Commission or City Council. The project site is located within the appeal area of the coastal zone; therefore, final action by the City to approve a Coastal Development Permit may be appealed to the California Coastal Commission.

The agenda, staff report, and corresponding documents will be available by end of business day on the Friday preceding the public hearing, and may be reviewed at the Community Development Department Permit Center (Bay C-1st Floor), at 100 Civic Center Drive, Newport Beach, CA 92660 or at the City of Newport Beach website at www.newportbeachca.gov/zoningadministrator. Individuals not able to attend the meeting may contact the Planning Division or access the City's website after the meeting to review the action on this application. All mail or written communications (including email) from the public, residents, or applicants regarding an agenda item must be submitted by 5 p.m. on the business day immediately prior to the meeting. This allows time for the Zoning Administrator to adequately consider the submitted correspondence.
