Summarize why you wish to serve the City of Newport Beach on a board, commission or committee. Include any special qualifications you have which are particularly appropriate to the position for which you are applying.

I have always been passionate about the restaurant I have been assigned to manage and the impact I can have on it's guests and the city where it is located. I think that shows in my approach to my job and the relationships I have made while doing it. Additionally, while serving on the board of a Chamber of Commerce in a small city in Idaho I learned the bigger impression that a group of business owners and managers could have on a city when they put that same effort into improving the bigger picture and the entire groups potential impact on a city. I was able to attend one NBRA meeting last year and see the potential that we as a group can have on this city. I would like the opportunity to add my voice to this group and to the future of restaurants in Newport Beach.

To Whom It May Concern,

It would be my honor to continue bringing national awareness of our beautiful city to others by showcasing the diversity of cuisine, the depth of flavor, and the creative talents of our local Chefs. A vibrant and robust tourism base will improve and grow our local economy and provide needed tax revenue, all while increasing our visibility and reputation as a premier dining destination for business, pleasure and corporate events.

I find the NBRA is instrumental in providing programs and support to the tourism and restaurant community. I strongly believe in the good work being done and want to lend my time and resources to helping the NBRA reach new goals each year. I hope you will consider my application and allow me to continue to participate in this organization.

Thank you, Kenyon Paar

Summarize why you wish to serve the City of Newport Beach on a board, commission or committee. Include any special qualifications you have which are particularly appropriate to the position for which you are applying.

I developed, owned and operated Muldoon's Irish Pub for the past 43 years. It is a family operation and may be the last independently owned and operated restaurant in Newport Center/ Fashion Island. I have observed over four decades the evolution of business in Newport Beach, and particularly in Newport Center/ Fashion Island. In 2012, I joined the NBRA BID Advisory Board . I also continue to practice law full time at our Muldoon's building on Newport Center Drive, which hopefully, adds to the perspective and depth of the Restaurant Board. I have a long history of leadership in the legal profession as an officer of preeminent consumer legal organizations both in Orange County and Statewide. I also served the community for over a decade as a Trustee and President of the Laguna Moulten Playhouse in Laguna Beach. I look forward to having the opportunity to continue serving a vibrant restaurant and hospitality business segment in Newport Beach.
