

# NOTICE OF PUBLIC HEARING

**NOTICE IS HEREBY GIVEN** that on **Thursday, June 06, 2019**, at **6:30 p.m.** or soon thereafter as the matter shall be heard, a public hearing will be conducted in the Council Chambers at 100 Civic Center Drive, Newport Beach. The Planning Commission of the City of Newport Beach will consider the following application:

**The Stag Bar Occupancy Increase** – The applicant requests to increase the allowed occupant load of the existing Stag Bar from 207 persons to a maximum of 260 persons. The applicant also proposes to reduce the allowed hours of operation from 6 a.m. to 2 a.m., daily, to 6 a.m. to 1:30 a.m., daily. There are no substantial improvements to the building proposed with this application. As there is no parking on-site, the applicant also requests a waiver of the required 13 parking spaces incurred by the increased occupant load. The establishment currently operates under Conditional Use Permit No. UP2013-016, which would be superseded if this application is approved.

The project is categorically exempt under Section 15301 - Class 1 (Existing Facilities) of the State CEQA (California Environmental Quality Act) Guidelines.

All interested parties may appear and present testimony in regard to this application. If you challenge this project in court, you may be limited to raising only those issues you raised at the public hearing or in written correspondence delivered to the City, at, or prior to, the public hearing. Administrative procedures for appeals are provided in the Newport Beach Municipal Code (NBMC) Chapter 20.64 (Appeals). The application may be continued to a specific future meeting date, and if such an action occurs, additional public notice of the continuance will not be provided.

The agenda, staff report, and corresponding documents will be available by end of business day on the Friday preceding the public hearing, and may be reviewed at the Community Development Department Permit Center (Bay C-1st Floor), at 100 Civic Center Drive, Newport Beach, CA 92660 or at the City of Newport Beach website at [www.newportbeachca.gov/planningcommission](http://www.newportbeachca.gov/planningcommission). Individuals not able to attend the meeting may contact the Planning Division or access the City's website after the meeting to review the action on this application. All mail or written communications (including email) from the public, residents, or applicants regarding an agenda item must be submitted by 5 p.m. on the business day immediately prior to the meeting. **NOTICE IS HEREBY FURTHER GIVEN** that pending approval of the Conditional Use Permit described above, an amended operator license application is scheduled for review by the Chief of Police of the City of Newport Beach on or after **Friday, June 21, 2019**. The project is categorically exempt under Section 15301 - Class 1 (Existing Facilities) of the California Environmental Quality Act (CEQA) Guidelines.
