Subject: Supplemental Declarations of Don Fesler and Roberta Fesler

Ms. Whelan:

Attached please find materials I request be included in the official record of tomorrow's hearing regarding the Application for Reasonable Accommodation filed by Rex and Rhonda Moore. These supplemental Declarations could only be filed now, due to an email I received earlier this afternoon from Lanny Krage transmitting Records partially responsive to the request I initially made in early May.

Thank you.

SUPPLEMENTAL DECLARATION OF
ROBERTA FESLER
IN OPPOSITION TO THE MOORES'
APPLICATION FOR A REASONABLE
ACCOMMODATION

Submitted July 30, 2019

SUPPLEMENTAL DECLARATION OF ROBERTA FESLER

I, Roberta Fesler, declare:

1. I have firsthand knowledge of the facts stated herein, and if called as a witness, I could and would competently testify thereto under oath.
2. Yesterday, I submitted a Declaration in this matter. This Supplemental Declaration is filed to add one piece of information which should have been included in the original Declaration, and to provide updated information based on a recent development.
3. In Paragraph 16 of the Declaration which I filed yesterday, I referenced having been in the home at 101 Via Undine, Newport Beach, CA, when it was occupied by the owner of record, Leora Tilden, and her husband, Dr. Tom Tilden.

During the (at least 2) tours which Mrs. Tilden gave me of her home, I learned of a third bedroom on the ground floor of that home. This bedroom is in addition to the two discussed in my original Declaration – the one on the street that was occupied and used by the Moores' son during the 18 months we lived next door to them (for these purposes, "bedroom 1"), and the one facing the strada which they now claim he occupies (for these purposes, "bedroom 2."). The additional bedroom (for these purposes, "bedroom 3") is actually adjacent to and, in essence, behind bedroom 2. It is tucked away in the middle of the house, having no windows or exposure to either the street or the strada. The only window is on the side of the house, looking onto the side setback area between our house and the one occupied by the Moores, as I described that area in my Declaration filed yesterday.

Bedroom 3 could be used by the Moores' son to provide him total and complete seclusion while in his room, where Rhonda Moore and Dr. Bera claim he spends the majority of his time. It would allow him to be totally free of any disturbance caused by noise or light, and certainly give him a greater sense of security and privacy than could ever be provided by a hedge, no matter how tall it is. If he actually has a medical condition that requires the kind of seclusion, privacy, and security the Moores' are claiming he needs, it has been available to him all along.

Coupled with the fully enclosed patio, with its soothing fountain and complete protection from viewing or being seen by the outside world, the Moores' son already has in the home more than a hedge could ever provide to address whatever medical condition he may or may not have.

4. In Paragraph 17 of the Declaration which I filed yesterday, I stated that, notwithstanding my repeated requests, the City had refused to provide me with all of the documents upon which the decision of whether to approve or deny the Moores' Application for Reasonable Accommodation would be made. I also indicated that I had not even been provided with a copy of the actual Application filed with the City. Those statements were true and correct at the time I made them.
5. Earlier this afternoon, I received an email from Lanny Krage, a representative of the City. Mr. Krage provided me with heavily redacted copies of the Application signed by Rhonda Moore, as well as a few other documents which were apparently attached to that Application.

However, the City continues its refusal to provide me access to all of the documents in its possession related to this Application, its processing, and any decision which is eventually made as to whether to approve or deny it. For the reasons stated in the Declaration I submitted yesterday, this refusal to provide me all of the requested materials constitutes an unconstitutional and illegal denial of my due process rights regarding this matter.

I declare under penalty of perjury that the foregoing is true and correct.

Executed this 30th day of July, 2019, in Long Beach, California.

A handwritten signature in black ink, appearing to read 'Roberta Fesler', written over a horizontal line.

ROBERTA FESLER

SUPPLEMENTAL DECLARATION OF DON FESLER

I, DON FESLER, declare:

1. Paragraphs 1-5 of my original Declaration are incorporated by reference in full.
2. On July 30, 2019, I received and reviewed part, but not all, of the writings my wife, Roberta Fesler, had requested from the City, which were just transmitted to her..
3. Nonetheless, I can further declare the following:

I.

THE MATERIALS I REVIEWED TODAY FURTHER CONFIRM THE APPLICATION SIGNED BY RHONDA MOORE IS A SHAM.

4. In my original declaration, I declared that given the chronology of events, the Moores' Application is a sham and only an attempt to get around the City's Notice of Violation.
5. The materials I reviewed today prove that this is a correct assessment. Specifically:

2/25/19: The City's Notice of Violation was sent the **real owner** of 101 Via Undine, Leora Tilden and her Trust (1).

3/12/19: Rhonda Moore filed the subject Application (2).

6/20/19: Dr. Bera signed his farsical letter.

Curiously, Rhoda Moore's Application wants a 6-foot hedge. Dr. Bera's letter refers to a 6.5 feet hedge.

In any event, this chronology further proves that the Moores' Application is a

sham.

II.

LIKE REX MOORE, RHONDA MOORE'S APPLICATION PROVES SHE IS A LIAR.

6. On page 1, Item 1, of the Application, Rhonda Moore said she and Rex Moore are the owners of 101 Via Undine.

7. On page 1, Item No. 7, Rhonda Moore signed under penalty of perjury that all of the statements contained in the Application "... are in all respects true and correct...."

8. Since the City of Newport Beach's Notice of Violation was sent to the real owner of the property, Rhonda Moore's statement in the Application is a deliberate, knowing lie.

Also, Exhibit 3 proves that the Applicants do not own the subject property (3).

III.

±

THE MOORES HAVE WILLFULLY FAILED TO EVEN ABIDE BY THE LICA'S APPROVAL OF THEIR LANDSCAPE PLANS

9. Exhibit 4 is a copy of LICA's approval of the Moores' illegal landscape plan.

10. The Moores have thumbed their noses at not only the City, but also both LICA and their neighbors.

11. As can be seen, the entire hedge was illegally approved to be 60 inches along its **entire** perimeter, including next to the northeast corner of Mrs. Tilden's house. As can be seen from the photographs attached to my first Declaration, the hedge at that location is well above 60 inches, just like it has

always been (5).

12. Per the plans, as I interpret them, the enclosed area was supposed to have plants inside of it.

In reality, it is nothing less than a gravel pit, as can be seen in Exhibit 6.

Here, it is also of interest that, I surmise, that the Applicant's son is using the enclosure at its current height, as evidenced by the beach towel on the lounge chair (6).

IV.

THERE IS NOT QUESTION THAT THE MOORES KNOW THAT THEIR HEDGE VIOLATES LICA'S ILLEGAL APPROVAL

13. This is not a case of an innocent misunderstanding. It is a case of an egocentric, malicious, "I can do anything I want," circumstance.

14. In this regard, I have taken periodic photographs of the Moores' illegal hedge.

15. Mr. Moore is a true "thumb noser." In fact, he took photographs of my home when, on one occasion, he saw me taking photographs of his hedge (7).

V.

THE CITY'S FAILURE TO PRODUCE ALL DOCUMENTS WE HAVE REQUESTED ON MULTIPLE OCCASIONS.

16. Rhonda Moore's statement that she is the "person's legal representative" is more than a little suspect. Is she the individual's guardian ad litem? Let's see the proof of that.

17. Is Rhonda Moore the individual's conservator? Where is any documentation that proves that?

18. We still don't know what the condition of the applicants' son might be. Rhonda Moore says he has an "... illness. Legally disabled."

19. Here, my questions/comments are:

A. What is the illness? No one, including Rex Moore, Rhonda Moore or the infamous Dr. Bera has said what the son's illness is or offered an actual diagnosis.

B. Where is the proof that the individual is "legally disabled"?

V.

**A HEDGE, NO MATTER HOW TALL, WILL NOT SHELTER THE
SUBJECT INDIVIDUAL FROM NOISE, THE FEELING OF THE
PRESENCE OF PEOPLE WALKING BY, NEIGHBORS TURNING
THEIR LIGHTS ON AND OFF, NOISE OR ANYTHING ELSE.**

20. As I previously declared, a 6.5-foot hedge will not accomplish a single thing.

21. Only one thing needs to be said the point: **The hedge has, and always will, have holes in it! (8).**

I declare under penalty of perjury that the foregoing is true and correct and that this Supplemental Declaration was executed on July 30, 2019, at Long Beach, CA 90815.

"Request for Reasonable Accommodation"

4. In order for [REDACTED] to live in our home at 101 Via Undine [REDACTED] must have a reasonable accommodation of a 6 foot hedge to provide privacy and safety from the strada. [REDACTED] needs to be able to go in and out of [REDACTED] room without feeling the presence of the people walking by, neighboring homes with lighting turning on and off, and other [REDACTED]

5. The hedge surrounding the perimeter of our side yard on 101 Via Undine provides [REDACTED] with privacy and safety that will enables [REDACTED] to go outside as [REDACTED] does not leave the home most days. On days when [REDACTED] chooses to stay in [REDACTED] room [REDACTED] can have the sliding doors open and still feel safe from the barrier provided by the hedge. There is a constant flow of foot traffic by [REDACTED] room from the strada all day long due to the main beach and lido clubhouse being located directly across the street.

6. If the hedge is denied, [REDACTED] will not be able to sit outside or perform any [REDACTED] activities as [REDACTED] will feel [REDACTED] has NO privacy. [REDACTED] will not be able to enjoy [REDACTED] bedroom as there will be NO privacy. [REDACTED]

[REDACTED] hence the added importance of the hedge being at least 6 feet tall. [REDACTED]

[REDACTED] we feel it is imperative that [REDACTED] be able to enjoy [REDACTED] bedroom and the area outside by the strada to the fullest of [REDACTED] ability.

"Request for Reasonable Accommodation"

9. We are asking the City of Newport Beach to approve our request for "Reasonable Accommodation" to allow us to maintain our existing hedge above the 42 inch city limit in order to allow [REDACTED] to fully utilize our side yard. [REDACTED] has a legal disability of [REDACTED] illness [REDACTED]

We would like to provide the outdoor side yard of our home on 101 Via Undine, Lido Island for [REDACTED] to be able to enjoy a PRIVATE and SAFE area outside [REDACTED] bedroom. At this time the hedge serves as a protective barrier from the people walking up and down the strada, neighboring homes looking inside and lights coming into [REDACTED] window in the evenings. [REDACTED]

[REDACTED] We believe [REDACTED] has the right to enjoy [REDACTED] outdoor space with the protection and privacy a 6 foot hedge will offer.

As stated by the Americans Disability Act, if you have a physical or mental impairment that substantially limits a major life activity you have a disability. [REDACTED]

[REDACTED] We believe [REDACTED] has the right to enjoy our entire property to the best of [REDACTED] ability.

Thank you for your time and consideration in this private matter.
