Dear MOORE

You have been found to meet the medical requirements to receive Supplemental Security Income benefits. Before we can begin your payments, we need some additional information from you.

We have scheduled you for an appointment in our office on December 5, 2018 at 10:30am.

Because of your medical condition, the medical examiner for your case has recommended that you have someone help you with managing your benefits and paperwork. Please bring a trusted relative or friend that would be willing to help you. The person you bring with you to the office will complete an application to become your representative payee. This person should bring a picture I.D. with them.

For general information about Social Security we invite you to visit our website at www.socialsecurity.gov on the Internet. For general questions and specific questions about your case, you may call us toll-free at 1-800-772-1213, or call your local Social Security office at 877-304-6994 and ask for Ms. Ellie. We can answer most questions over the phone. If you are deaf or hard of hearing, you may call our TTY/TDD number 626-569-7527. If you do call or visit an office, please have this letter with you. It will help us answer your questions.
