Traci,

With regard to the [draft Civil Service Board minutes for June 3, 2019](#) (to be considered at tonight's CSB meeting), I would suggest modifying the **last sentence on page 3 of 5** to read:

**EMS Division** Chief Thompson was a keynote speaker and teacher during the conference."

Without that qualification, I suspect future readers will surmise the City's current **Fire Chief** is named "Thompson".

Yours sincerely,

Jim Mosher
