

# **NOTICE OF PUBLIC HEARING**

**NOTICE IS HEREBY GIVEN** that on **Tuesday, January 28, 2020, at 7:00 p.m.**, a public hearing will be conducted in the City Council Chambers at 100 Civic Center Drive, Newport Beach. The City Council of the City of Newport Beach will consider the following application:

**Cottage Preservation Code and LCP Amendments** – Amendments to the Local Coastal Program (Coastal Land Use Plan and Implementation Plan), Newport Beach Municipal Code Title 20 (Planning and Zoning), and Title 15 (Building and Construction) to incentivize the preservation of cottages. Specifically, the amendments would allow larger additions of up to fifty (50) percent of the existing floor area of a residential development that is nonconforming due to parking when the project would result in the preservation of the cottage character and a building envelope representative of traditional development patterns in the City. Eligible projects would also receive relief from a building code valuation threshold, which requires building code compliance as new construction.

Pursuant to the authority and criteria contained in the California Environmental Quality Act (CEQA), the amendment is statutorily exempt from the CEQA in accordance with Section 21065 of CEQA and State CEQA Guidelines Sections 15060(c)(2), 15060(c)(3), and 15378. The proposed action is also exempt from the CEQA pursuant to State CEQA Guidelines Section 15061(b)(3), the general rule that CEQA applies only to projects which have the potential for causing a significant effect on the environment.

**NOTICE IS HEREBY FURTHER GIVEN** that on November 21, 2019, by a vote of 5-1, the Planning Commission of the City of Newport Beach recommended that the City Council adopt the Cottage Preservation Code and LCP Amendments.
