I wish to serve on the NBRA Board of Directors because I love Newport Beach and its restaurants, and I want to work together with other local business owners and entrepreneurs to help improve things in our community. My wife and I own Sugar 'n Spice and we care very deeply about what kind of future we will create in our city. I believe in civic engagement and that people can make a difference. Before we took over the business in 2014 from my mother-in-law, Helen Connolly (who had owned it since 1995), my background was in film & television production, so I needed to learn a completely new industry, and to my great pleasure I really enjoy it. Summarize why you wish to serve the City of Newport Beach on a board, commission or committee. Include any special qualifications you have which are particularly appropriate to the position for which you are applying.

I have served on the Restaurant Association board for the last three years and have enjoyed doing so. Having managed restaurants in Newport Beach for the last five years I have grown a fondness for the city, residents (guests) and food scene. I have also seen, first hand, the impact that the restaurant association and it's events has on the city and restaurants, including my own. I would like to be part of that moving forward, especially considering the economic environment we find ourselves in. Having been a part of Chambers of Commerce, PTAs and professional associations I know the impact a group of committed individuals can have on the common good.

I would love to contribute to the amazing work that the Newport Beach Restaurant BID Advisory Board provides to the restaurants in our fantastic city. Restaurants are the pulse of a city by encouraging visitors and improving our local residents' way of life. My very first job in college was at local Newport Beach restaurant, Tutto Mare at Fashion Island, and I fell in-love with the energy and community a restaurant provides. A well-run restaurant can not only provide community for many and a home for those who work there, but a respite from daily life, evoking the origin behind the word 'restaurant', which is to restore ones' health and wellness. I would be honored to continue the legacy that Newport Beach has already created as a City which supports local ownership, encourages advancements in service and presentation, but most importantly, promotes our beautiful city as a must visit destination for tourists and a must live for residents.

To Whom It May Concern,

It would be my honor to continue bringing national awareness of our beautiful city to others by showcasing the diversity of cuisine, the depth of flavor, and the creative talents of our local Chefs. A vibrant and robust tourism base will improve and grow our local economy and provide needed tax revenue, all while increasing our visibility and reputation as a premier dining destination for business, pleasure and corporate events.

I find the NBRA is instrumental in providing programs and support to the tourism and restaurant community. I strongly believe in the good work being done and want to lend my time and resources to helping the NBRA reach new goals each year. I hope you will consider my application and allow me to continue to participate in this organization.

Thank you, Kenyon Paar

I would appreciate the opportunity to serve on the City of Newport Beach Restaurant Association Board due to my passion and appreciation for the business. I developed my passion by watching my mother, who was a professional chef at Citrus. I started working in the industry as a hostess at 14, then waiting tables at 16 until my mid 20's and even had a stint as a garde mangre at Pacifica Grill in San Diego. I almost left school for CIA in Napa, but felt I should get my degree since I only had one more year left. Growing up in the restaurant boom in Los Angeles in the 80's, I saw and learned a great deal. I enjoy giving back to my community and helping restaurants recognize their potential.

Summarize why you wish to serve the City of Newport Beach on a board, commission or committee. Include any special qualifications you have which are particularly appropriate to the position for which you are applying.

I am blessed to own two Newport Beach properties, one business (and potentially another) and plan to live out my life in this beautiful city I was born in back in 1966. I've had the privilege of living here only 5 years of my 53 total and I fully appreciate all the wonderful aspects NB offers to its 86K+ residents and countless visitors from around the world. Now that I'm rooted for the long haul, I hope to contribute to my city and neighborhoods well being for many years to come. The main reason my wife and I decided to buy our current business (Balboa Island Baking Co), was to help preserve a portion of Newport Beach that has been dear to our hearts since we met back in 1991. We understand the value this area has to generations of families who call this home and the many new families that continue to invest their future in NB. Joining the NBRA would be an honor, to serve alongside other business owners in the Restaurant Industry who care about the current state and the future potential of our cities dining choices. My particular business is very small compared to most, I believe I would offer a unique perspective and be willing to negotiate through challenges and championing great ideas.

I certify that all statements made on this application are true and correct to the best of my knowledge. I have read and understand the duties and responsibilities of the particular position(s) that I am applying for and authorize the release of this information on the internet.
