Harbor Commission - Objectives

The following objectives are intended to support the mission of the Harbor Area Management Plan and the two most essential responsibilities of the Harbor Commission: (1) Ensuring the long-term welfare of Newport Harbor for all residential, recreational, and commercial users; (2) Promoting Newport Harbor as a preferred and welcoming destination for visitors and residents alike.

These updated objectives are subject to the review and approval of the Commission, and final approval by the Newport Beach City Council. Harbor Commission ad hoc committees, as established by the Commission, bear principal responsibility for coordinating the Commission's efforts, along with staff support, in achieving these Objectives.
