

# NOTICE OF PUBLIC HEARING

**NOTICE IS HEREBY GIVEN** that on **Thursday, June 25, 2020**, at **10:00 a.m.** or soon thereafter as the matter shall be heard, a public hearing will be conducted in the Council Chambers at 100 Civic Center Drive, Newport Beach. The Zoning Administrator of the City of Newport Beach will consider the following application:

**Faerber Residence** - A request for a coastal development permit to enclose two existing 65-square-foot covered decks on the main and lower floor levels in order to enlarge two existing adjacent bedrooms, and to construct a 210-square-foot upper level addition. The existing development is legal nonconforming because the existing covered decks extend beyond the allowable development area identified in the Canyon Overlay District. As such, the project includes a request for relief from Newport Beach Municipal Code Title 21 (Local Coastal Program Implementation Plan), pursuant to Section 21.52.090. The proposed project complies with all other applicable development standards and no new development is proposed outside of the existing structural footprint.

The project is categorically exempt under Section 15301 - Class 1 (Existing Facilities) of the State CEQA (California Environmental Quality Act) Guidelines.

All interested parties may appear and present testimony in regard to this application. If you challenge this project in court, you may be limited to raising only those issues you raised at the public hearing or in written correspondence delivered to the City, at, or prior to, the public hearing. The application may be continued to a specific future meeting date, and if such an action occurs, additional public notice of the continuance will not be provided. Administrative procedures for appeals are provided in the Newport Beach Municipal Code Chapter 21.64. Fees are required to appeal any final action on a Coastal Development Permit to the Planning Commission or City Council. The project site is located within the appeal area of the coastal zone; therefore, final action by the City to approve a Coastal Development Permit may be appealed to the California Coastal Commission.
