

# NOTICE OF PUBLIC HEARING

**NOTICE IS HEREBY GIVEN** that on **Thursday, July 30, 2020**, at **10:00 a.m.** or soon thereafter as the matter shall be heard, a public hearing will be conducted in the Council Chambers at 100 Civic Center Drive, Newport Beach. The Zoning Administrator of the City of Newport Beach will consider the following application:

**Kassabian Residence** – A coastal development permit for the demolition of an existing single-family residence and the construction of a new 6,167-square-foot single-family residence with a 751-square-foot attached garage. The project includes the construction of a new concrete bulkhead. No work will be conducted bayward of the existing bulkhead. The proposed development also includes appurtenances such as walls, fences, patios, hardscape, drainage devices, and landscaping.

The project is categorically exempt under Section 15303 – Class 3 (New Construction or Conversion of Small Structures) of the State CEQA (California Environmental Quality Act) Guidelines.

All interested parties may appear and present testimony in regard to this application. If you challenge this project in court, you may be limited to raising only those issues you raised at the public hearing or in written correspondence delivered to the City, at, or prior to, the public hearing. The application may be continued to a specific future meeting date, and if such an action occurs, additional public notice of the continuance will not be provided. Administrative procedures for appeals are provided in the Newport Beach Municipal Code Chapter 21.64. Fees are required to appeal any final action on a Coastal Development Permit to the Planning Commission or City Council. The project site is located within the appeal area of the coastal zone; therefore, final action by the City to approve a Coastal Development Permit may be appealed to the California Coastal Commission.
