For the past four years, I have had the pleasure of serving our City Council and residents on the Harbor Commission. My areas of focus have been dredging our navigational channels and the RGP54 dredging permit process. I've been fortunate to have strong support from City Council and Staff to push these initiatives forward. We've had success but there is more work to be done.

If selected to serve a second term, in addition to continuing the efforts on the dredging initiatives, I will work closely with my Harbor Commission colleagues (and our new Harbormaster Paul Blank) in helping to craft a harbor modernization plan for the next 50 years.

Growing up in Newport Beach was an absolute privilege. Having the mountains, desert and ocean easily accessible year-round was something I just expected and took for granted. Now that I have traveled the World visiting the most exclusive and remote harbors I have returned home a little disenfranchised at the state of my home port. Newport Harbor is truly a unique destination and my goal is to raise the standard on the water by improving safety standards, yacht maintenance practices and transient accessibility. I currently hold a Master upon Oceans 1600/3000 GT license and you can frequently find me paddling or cruising on the bay.

Thank you for the opportunity to submit this application for the open Harbor Commission position. I am very interested in getting more involved within our community and have a strong affection for our harbor in Newport Beach. I am a long-term boat owner with a slip in Newport and have lived in Newport Beach for over 20 years. I believe that our city owns and operates the most beautiful harbor on the West Coast, and I would fully commit myself to serving the needs of all constituents within our community. I have gained significant experience through my business career, from starting my company and helping it grow over thirty years. Additionally, I have served on multiple philanthropic and for-profit boards and assisted these entities in managing their organizations with a focus on long term planning and organizational development. Utilizing my background, I would bring a commitment to understand the needs of our community that the Commission is responsible for and bring a reasonable voice from a long-term resident and boater who understands the value of our Harbor.

Re: Expiration of Term

---

The purpose of this document is to formally request that I be considered for a full term for my expiring position as a member of the Newport Beach Harbor Commission. In June of 2019 I was appointed to fill an open position due to a Commissioner leaving after two years of the four-year term. I was selected for this opening and this term is currently expiring.

I would like to request that I be re-appointed for a full four-year term this June. I have been an active member of the Harbor Commission and have accomplished several objectives during the past two years. One example of this, which was also presented to the City Council, was the Harbor Stakeholder/Attendance Study. I have spent the last two years getting up to speed on numerous areas where the Harbor Commission is involved, and this experience will allow me to be significantly more informed and productive.

I would like to thank you very much for your consideration. I have genuinely enjoyed working with everyone on staff with the City and appreciate what they have done for me.

Respectfully,

Steve Scully

City of Newport Beach, Harbor Commission Application

Attn: Leilani Brown, City Clerk

Having grown up in and around Newport Harbor the well being of the harbor and its preservation will always be important to me. It is my goal in becoming active in the community to preserve Newport Harbor for the enjoyment of future generations.

My wife, daughter and I are avid boaters and spend nearly all our free time on the water. We are members at Balboa Yacht Club and participate in various other community organizations throughout Newport Beach.

I am both a powerboater and have sailed extensively throughout the world. I have owned over two dozen boats in my life and have extensive knowledge in boat and yacht handling, angling and the shipwright trades. Along with this I work in Insurance and have a lifelong background in risk assessment and conflict resolution that I believe would be beneficial to several issues that often come before the Harbor Commission. I attended many of the Title 17 revision meetings along with the regular harbor Commission meetings so I am familiar with the organization. Along with my attendance to these meetings I have met with many of the sitting, and outbound, Harbor Commissioners to familiarize myself with the workload that is in store for me given my appointment.

I look forward to serving and giving back to the community that has provided me such a wonderful venue for my upbringing and hopefully will be able to influence its preservation.

**Statement of conviction:**

In 2009 I was convicted of driving under the influence in Huntington Beach. All ordered probations and restitutions were paid and completed.

The case and all charges were dismissed and expunged on 26 January 2016 pursuant to Penal Code section 1203.4.
