

NOTICE OF PUBLIC HEARING

NOTICE IS HEREBY GIVEN that on **Thursday, September 16, 2021**, at **10:00 a.m.** or soon thereafter as the matter shall be heard, a public hearing will be conducted online via Zoom. The Zoning Administrator of the City of Newport Beach will consider the following application:

440 Fernleaf LLC Residential Condominiums – A request for a tentative parcel map for two-unit condominium purposes. A duplex has been demolished and a new duplex is currently under construction pursuant to Zoning and Building Code requirements. The Tentative Parcel Map will allow each unit to be sold individually. No waivers of Title 19 (Subdivisions) are proposed. A coastal development permit (CDP) is required because the property is in the Coastal Zone.

The project is categorically exempt under Section 15315 of the State CEQA (California Environmental Quality Act) Guidelines - Class 15 (Minor Land Divisions).

All interested parties may appear and present testimony in regard to this application. If you challenge this project in court, you may be limited to raising only those issues you raised at the public hearing or in written correspondence delivered to the City, at, or prior to, the public hearing. The application may be continued to a specific future meeting date, and if such an action occurs, additional public notice of the continuance will not be provided. Administrative procedures for appeals are provided in the Newport Beach Municipal Code Chapters 19.12 and 21.64. A fee is not required to appeal any final action on a coastal development permit to the Planning Commission. The project site is not located within the appeal area of the coastal zone; therefore, final action by the City may not be appealed to the California Coastal Commission.
