Subject: Suggested corrections to 9/8/21 CSB minutes (October 4 meeting, Item 1)
Date: Sunday, October 3, 2021 9:48:34 AM

The following corrections might be considered:

1. **Page 3**, paragraph 1, last sentence: "*There are no exemptions listed and the City Council cannot override ~~with~~ what the Charter states.*"
2. **Page 5 & 6**: the Police Department report uses several unexplained abbreviations, the first and last of which I had to Google to understand:

FTO = Field Training Officer
CSI = Crime Scene Investigator
CSO = Community Service Officer

For the benefit of other readers unfamiliar with police jargon, it might be good to spell them out.
