### **Pickup Residence Coastal Development Permit No. CD2019-011 (PA2019-051)**

**Site Location: 23 Harbor Island**

#### ***Project Summary***

A coastal development permit to demolish an existing single-family residence and construct a new two-story, 6,357-square-foot, single-family residence with an 815-square-foot garage. The project includes hardscape, drainage, landscaping improvements, and accessory structures. The project also includes accessory structures and a reinforced bulkhead with cap for coastal hazards protection located in the Harbor Island Tidelands. The proposed residence complies with all applicable development standards including height, setbacks, and floor area limits. No deviations are requested. The portions of the project within the Harbor Island Tidelands are within the California Coastal Commission's coastal permit jurisdiction boundary and therefore require their review.

#### ***Recommended Action***

1. Conduct a public hearing;
2. Find this project exempt from the California Environmental Quality Act (CEQA) pursuant to Section 15303 under Class 3 (New Construction or Conversion of Small Structures) of the CEQA Guidelines, because it has no potential to have a significant effect on the environment; and
3. Adopt Draft Zoning Administrator Resolution No. \_ approving Coastal Development Permit No. CD2019-011.
