### **Proposed City Council Policy - Offshore Mooring Extensions**

At the Harbor Commission meeting of June 12, 2019, the Harbor Commission reviewed proposed amendments regarding offshore mooring extensions in conjunction with their 2018 Goals and Objectives to “Establish policies for modifications to mooring sizes”. The Commission reviewed and approved a Harbor Department Policy based on this recommendation. After further review, it is recommended that the Harbor Commission recommend a new City Council Policy establishing how and when moorings may be extended.

### **Recommendation:**

- 1) Determine this action is exempt from the California Environmental Quality Act (CEQA) pursuant to Sections 15060(c)(2) and 15060(c)(3) of the CEQA Guidelines because this action will not result in a physical change to the environment, directly or indirectly;
- 2) Approve the proposed City Council Policy on mooring extensions and request staff to present to City Council for consideration.
