Site Location: 850 and 856 San Clemente Drive

Summary:

The project consists of the demolition of the former Orange County Museum of Art buildings (approximately 39,000 square feet) on a 2.91-acre site to accommodate the development of a 184,309-square-foot, six-story senior housing development (90 residential dwelling units) and memory care facility (27 beds). The development would include resident dining areas, fitness room, yoga room, indoor pool, lounge with bowling alley, salon, art room, theater, library, golf simulator, and support uses such as offices, mechanical and storage rooms, mail room, laundry, and housekeeping.

- Planned Community Text Amendment** - To modify the San Joaquin Plaza Planned Community (PC-19) Development Plan to include development and design standards to allow for 90 senior dwelling units and 27 memory care beds. The applicant also requests an increase in the height limit from 65 feet to 77 feet 10 inches.

- Conditional Use Permit** - To allow the operation of the proposed senior housing development and memory care facility.
- Major Site Development Review** - To allow the construction of 90 senior dwelling units and a 27 bed memory care facility and to ensure the site is developed in accordance with the applicable planned community and zoning code development standards and regulations pursuant to Newport Beach Municipal Code (NBMC) Section 20.52.080 (Site Development Reviews).
- Lot Merger** - To merge the two existing lots into one parcel for development of the site.
- Addendum to Environmental Impact Report (EIR) (SCH#2016021023)** - To address reasonably foreseeable environmental impacts resulting from the legislative and project specific discretionary approvals, the City has determined that an addendum to a previously certified EIR is warranted pursuant to the California Environmental Quality Act (CEQA).
