Newport Harbor Vessel Pumpout Program

The City of Newport Beach offers a number of facilities and programs for the boating community to properly dispose of waste materials collected in vessel holding tanks. The Harbormaster will provide an informational presentation to the Harbor Commission, providing overview information about these facilities and programs.

Recommendation:

- 1) Find this action exempt from the California Environmental Quality Act (CEQA) pursuant to Sections 15060(c)(2) (the activity will not result in a direct or reasonably foreseeable indirect physical change in the environment) and 15060(c)(3) (the activity is not a project as defined in Section 15378) of the CEQA Guidelines, California Code of Regulations, Title 14, Chapter 3, because it has no potential for resulting in physical change to the environment, directly or indirectly.
- 2) Receive and file.
